We've only just begun to live,
White lace and promises
A kiss for luck and we're on our
way.
And yes, we've just begun.

Before the rising sun we fly,
So many roads to choose
We start our walking and
learn to run.
And yes, we've just begun.

Sharing horizons that are new
to us,
Watching the signs along the way,
Talking it over just the two of us,
Working together day by day
Together.

And when the evening comes
we smile,
So much of life ahead
we'll find a place where
there's room to grow,
And yes, we've just begun.

The Pep 1982

Red Oak, Iowa

"I survived the winter of '82" reads a popular bumper sticker. The winter of '82 was one to remember — ice, snow Arctic winds with -70 degree wind chills, deep drifts — and 8 snow days! However, there were many other memorable events around the state, the nation, and the world during the 81-82 school year. Some of those events were disheartening; the world seemed to be in a state of perpetual unrest. El Salvador looked, for awhile, like another Viet Nam; Poland was under martial law; Egyptian President Anwar Sadat was assassinated, and another attempt was made on the life of the Pope; war in the Falklands seemed inevitable; and closer to home — and our pocketbooks — were the continuing recession, the rising unemployment, and the constant debate over Reaganomics.

Not all the news was bleak: the Columbia space shuttles had continued success; women across the country cheered the appointment of Sandra Day O'Connor to the Supreme Court; the Royal wedding of Prince Charles and Princess "Di" was followed by a royal pregnancy.

While wearing our Calvin Klein jeans and Izod shirts we amused — and confused — ourselves with the Rubik Cube or we fell victim to "Pac-Man Fever." We watched movies like "Raiders of the Lost Ark" and "On Golden Pond" and, when we could arrange an afternoon at home, we watched "General Hospital."

1982 — well into a new decade — a decade in which we will "grow up" to face the challenges — and the promises — of life on this planet called Earth.

The Red Oak Tigers ended their 1981 football season with an overall record of 1-8 and a Conference record of 1-6. The Tigers finished 7th in the Hawkeye-8. Team captains were Dan Butler and Randy Farnum.

Although the team only had one victory this season, the Tigers fought throughout every game. The highlight occurred when Red Oak upset Glenwood 21-8.

Twenty-six Tiger players were awarded letters. Eleven lettermen were seniors and fifteen were underclassmen. The young squad shows both ability and promise.

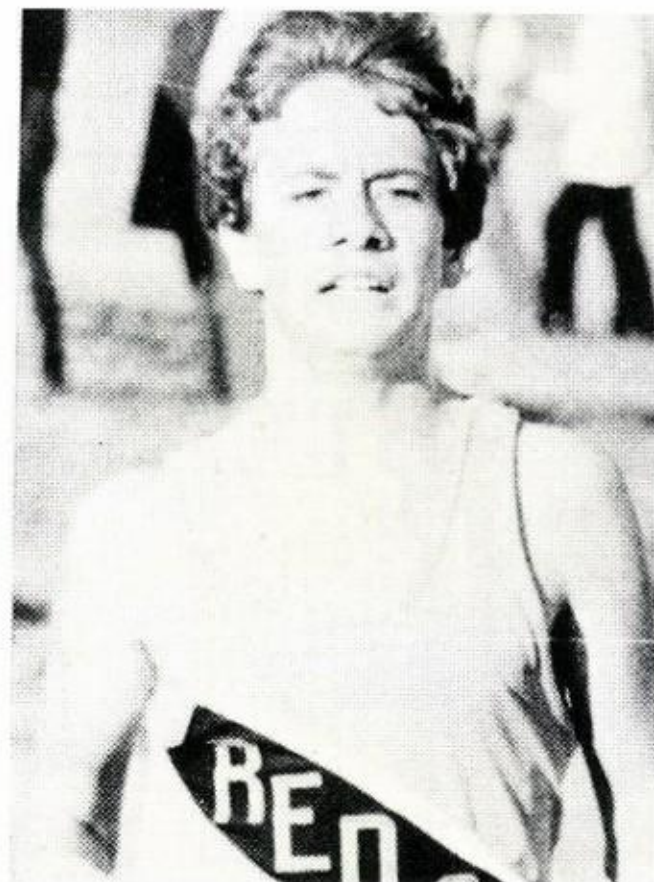

Senior Scott Euken was named to the All-Conference 1st team defense while Senior Steve Philby received honorable mention on defense. Tight end Senior Mike Bolton received the Most Valuable Player award for the 1981 season. The award is sponsored by McDonald's.

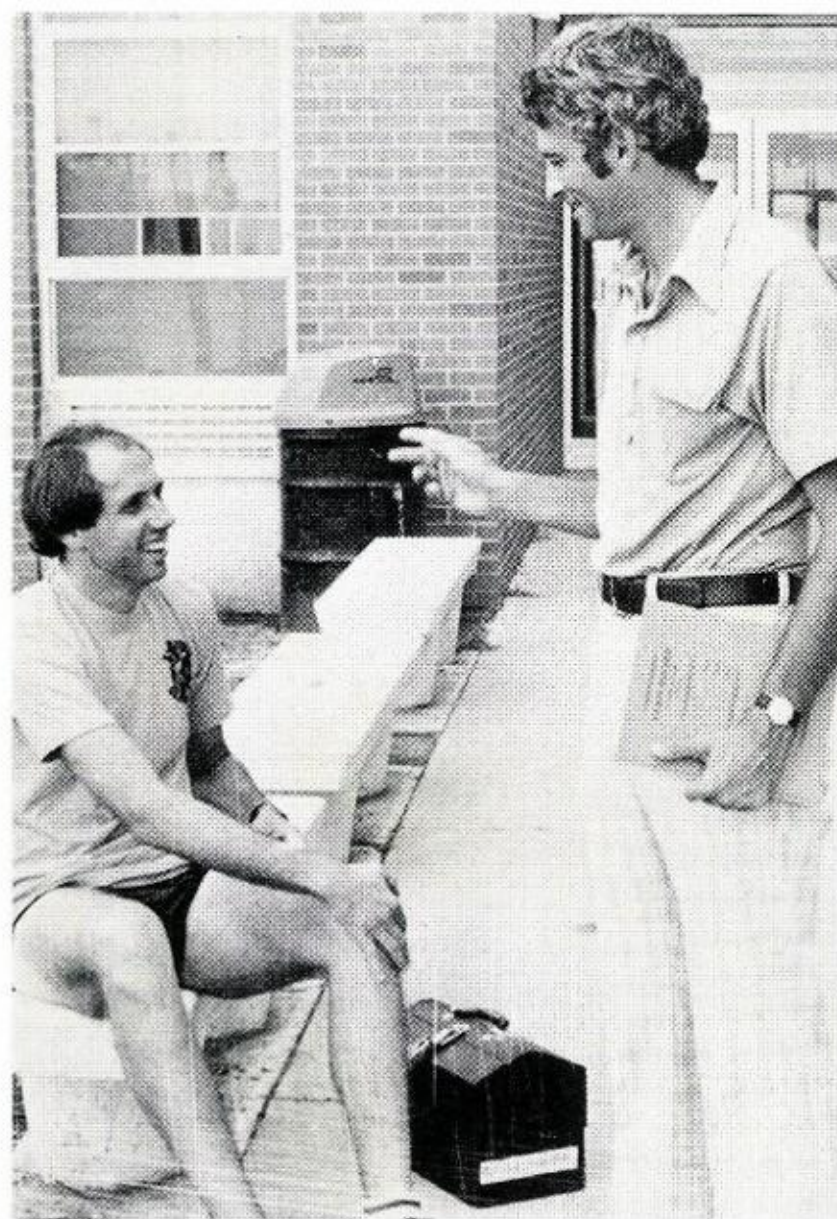

Every Cross Country runner has to have endurance, for the 5-10 mile practices; strong legs, for the never ending hills; and guts, to keep going. This year's team had 22 of them.

The runners had an excellent season. Both boy's and girl's teams competed in 9 meets, with each individual giving the 2 mile run the best effort.

Letters were awarded to nine boys and seven girls by Coach Dan Martinez. Tim Neville served as assistant coach.

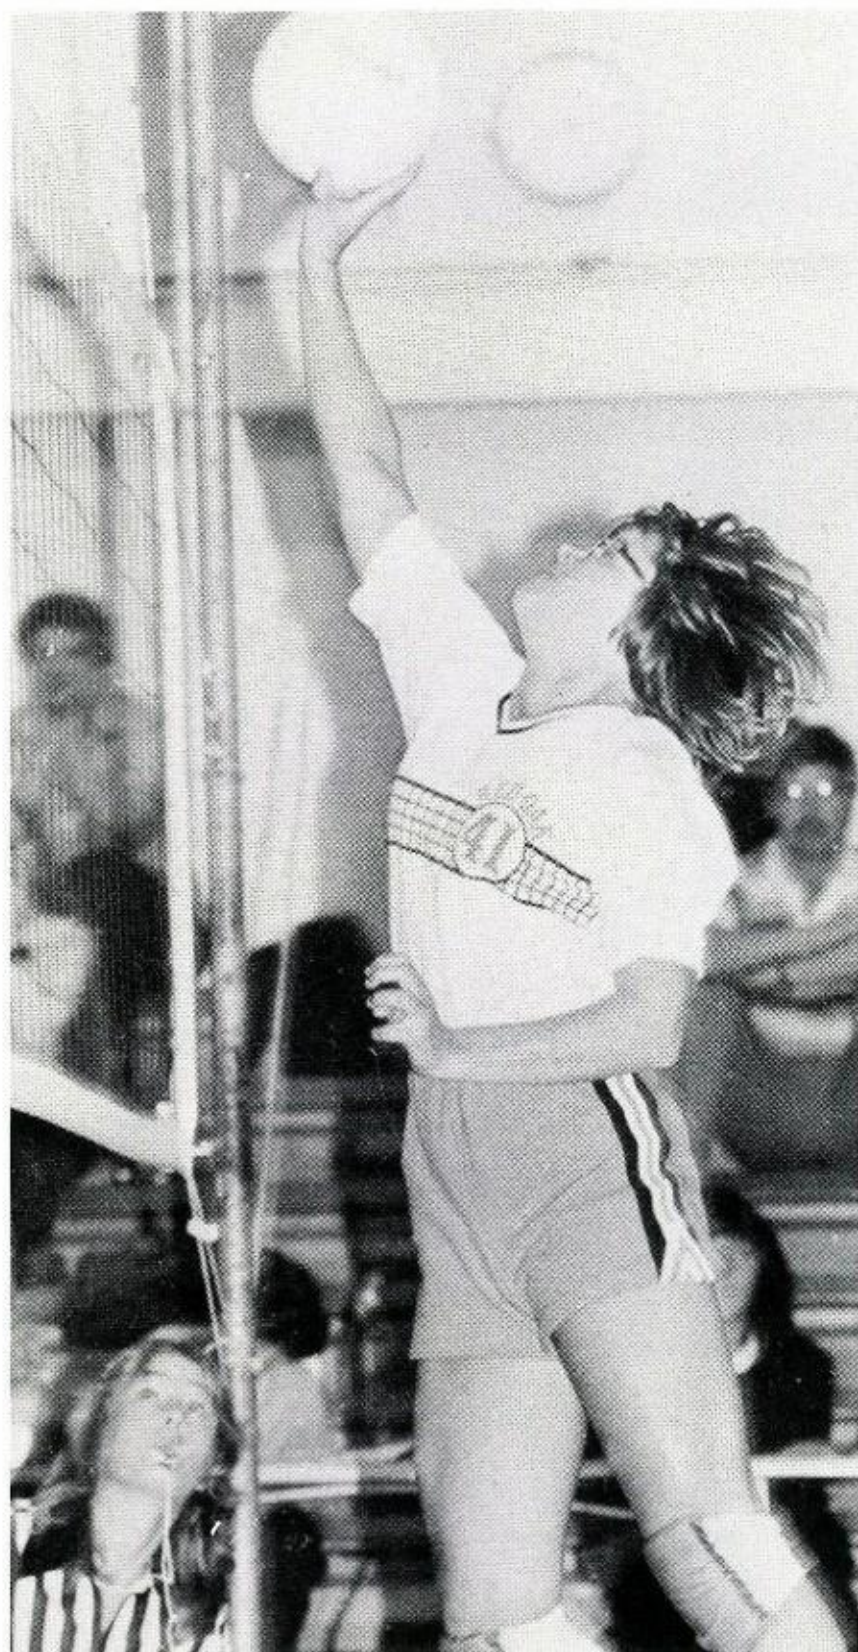

Cross Country

The boy's team placed 2nd in both conference and district meets. Junior Chris Shehan was District Champion.

The Varsity team, consisting of Shehan, Miller, Mikuls, Bartz, and Fitzhugh, qualified for state. The stars brought back a 7th place trophy.

Before each match, the locker room is filled with enthusiasm and spirit. "Let's spike 'em" are the words shouted by all team players as the buzzer sounds, signaling the start of the game.

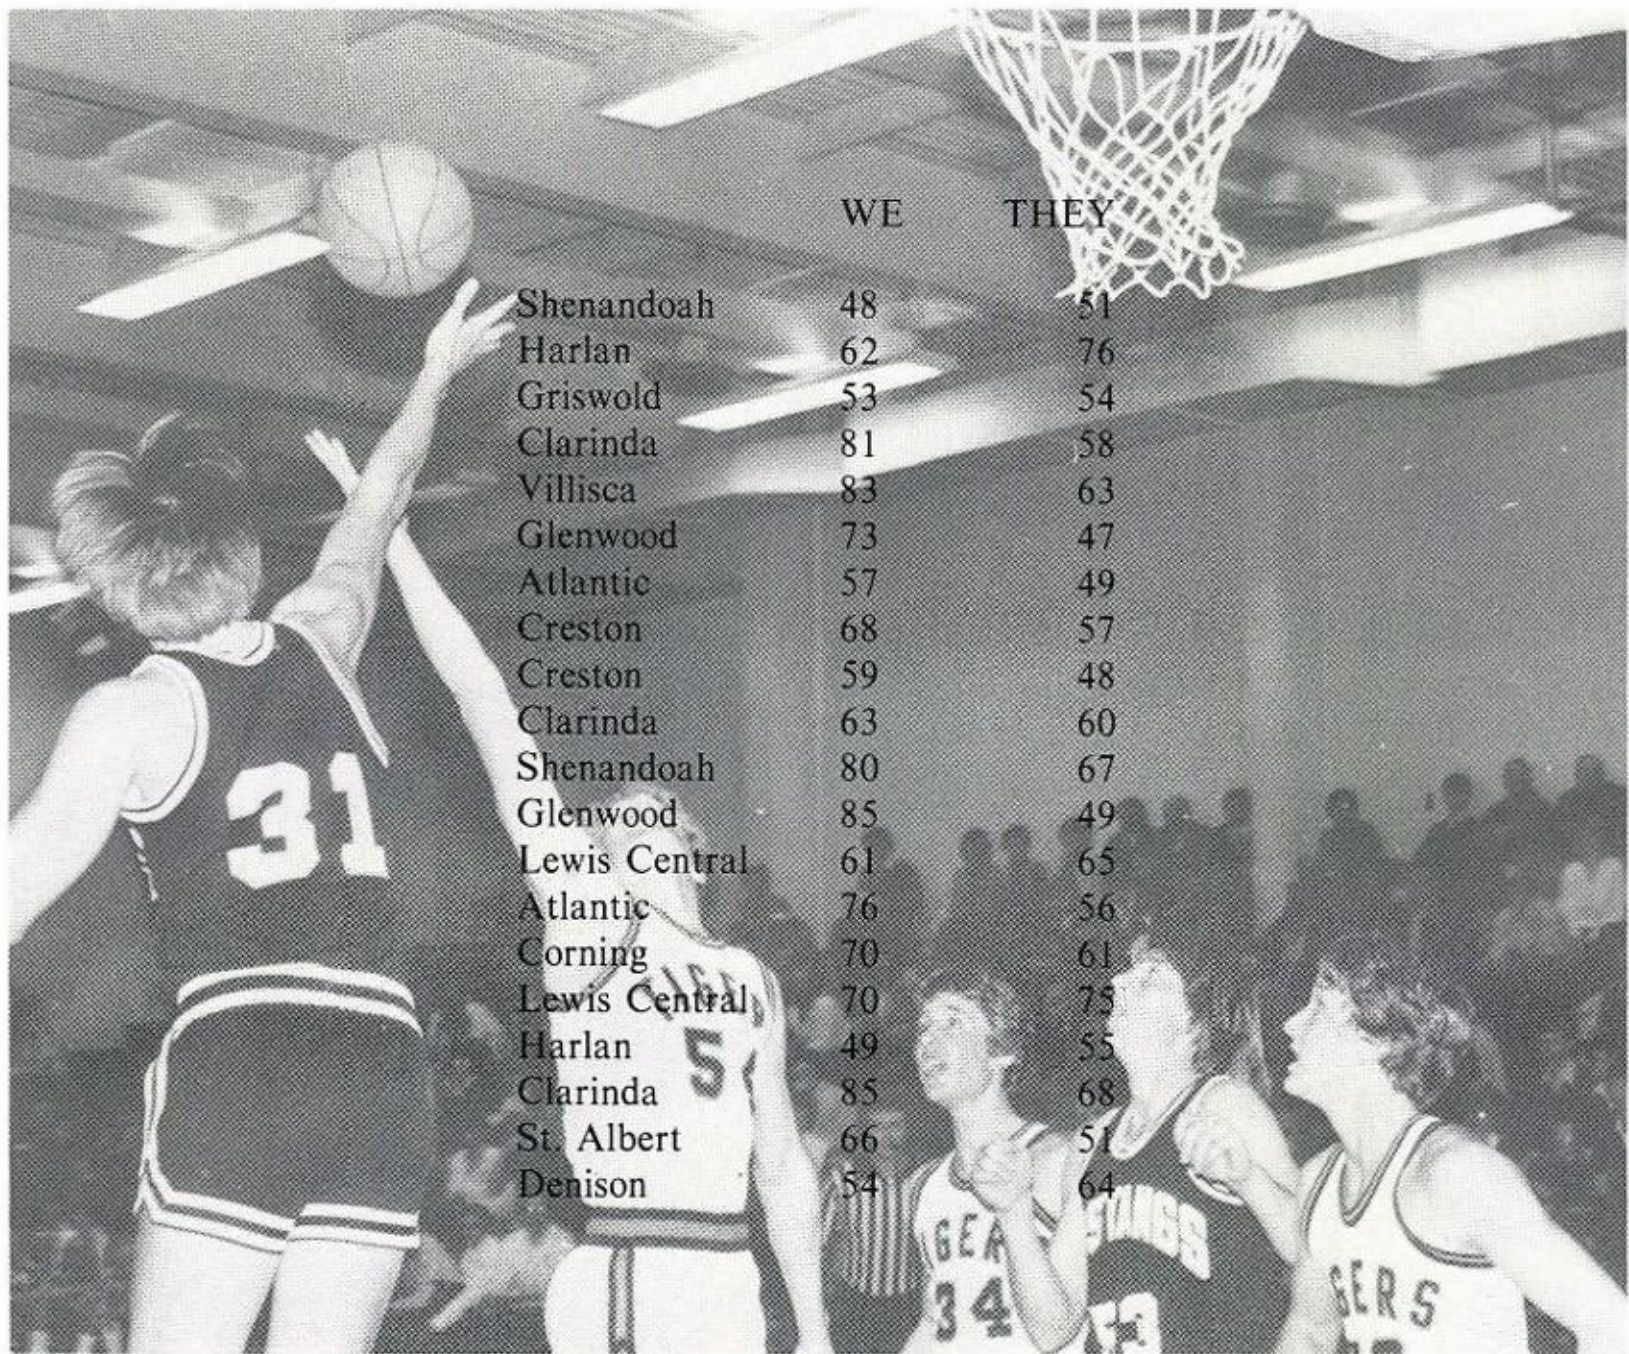

The 1981-82 Tigrette Volleyball Team, coached by Roxanne Sammons and assisted by Terry Kneen, ended the season with a varsity record of 5-10 and a JV record of 3-7-1.

Letters were awarded to ten of the 28 spikers. Senior Maria Swanson lead in serving percentage. Leading ace in spikes was Jamie Thompson. Cathy Huston lead in ace serves. Chosen for 2nd Team All-Conference were Jamie Thompson, as a spiker, and Jen Sue Shantz, as a setter.

Managers for the season were Brenda Mueller, Rhonda Wagaman, and Julia Shehan.

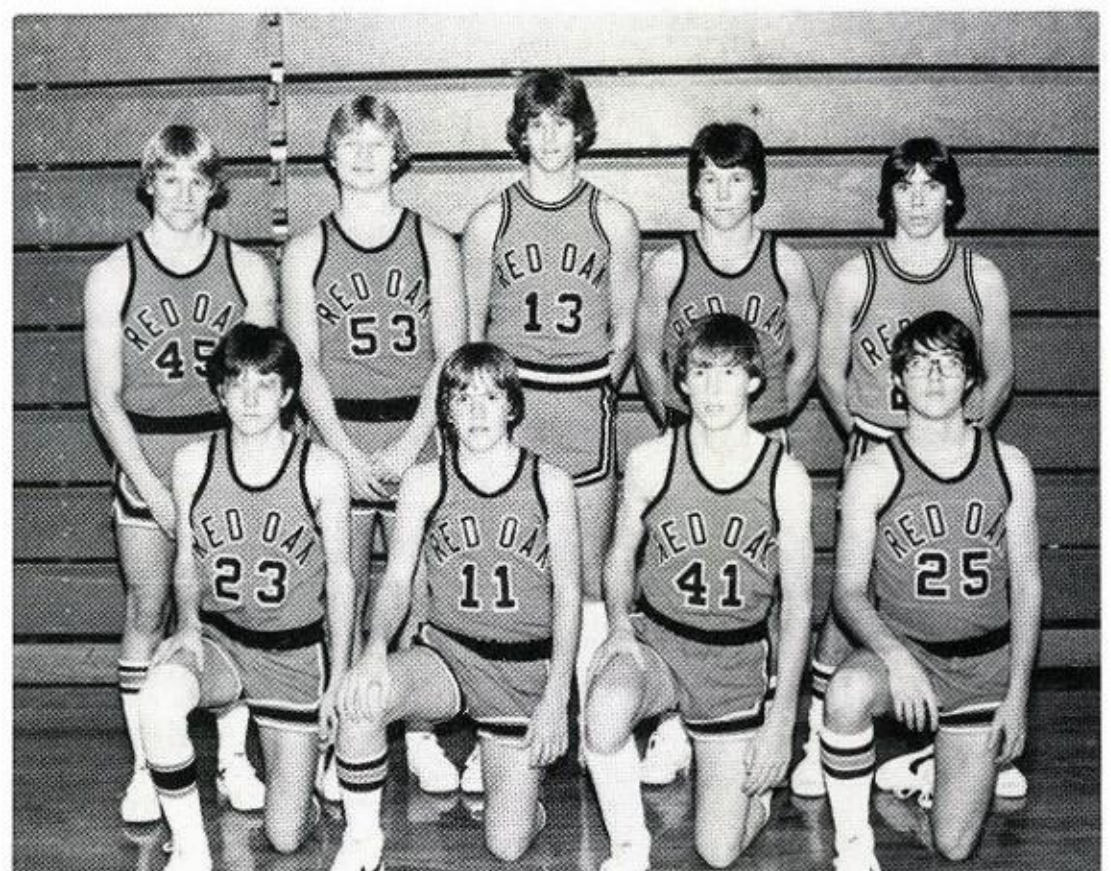

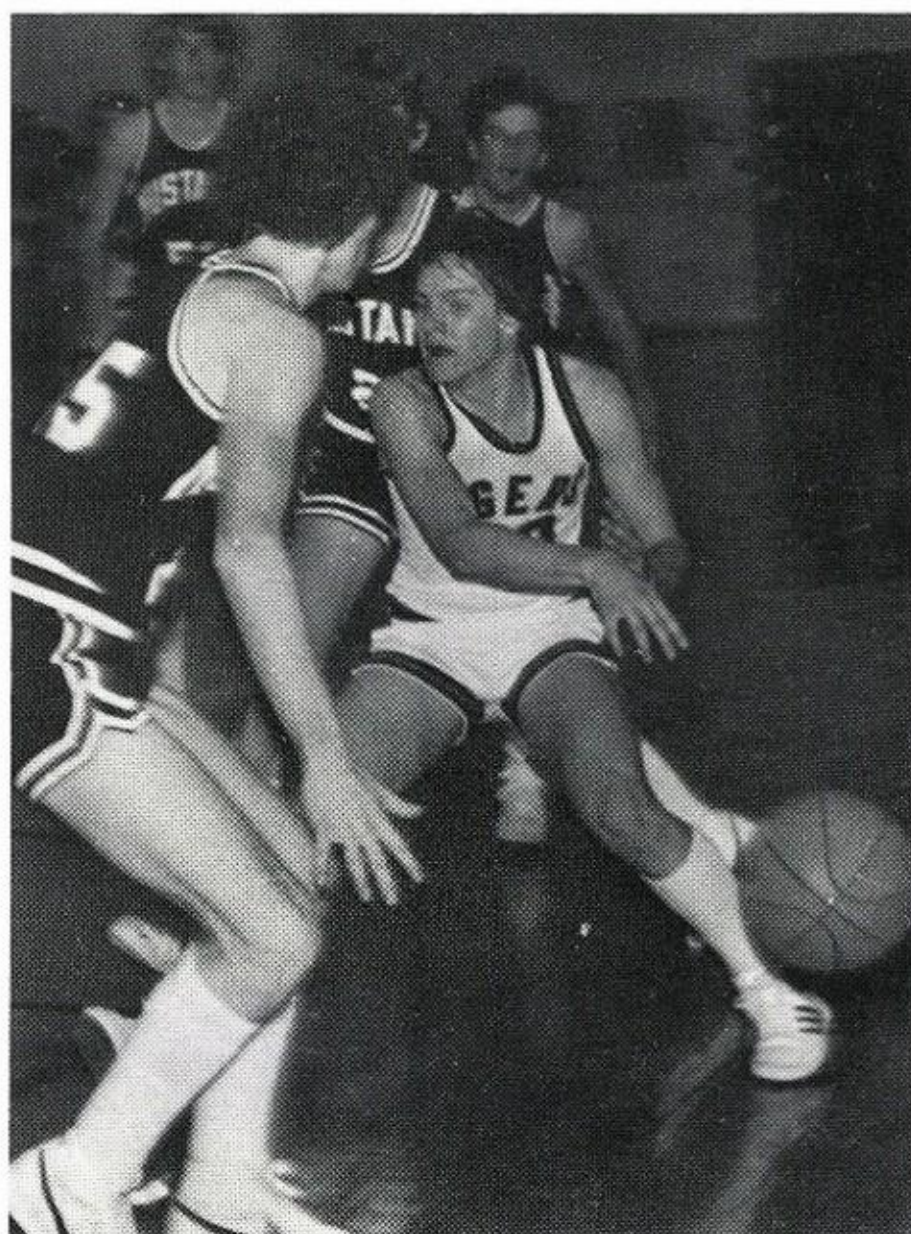

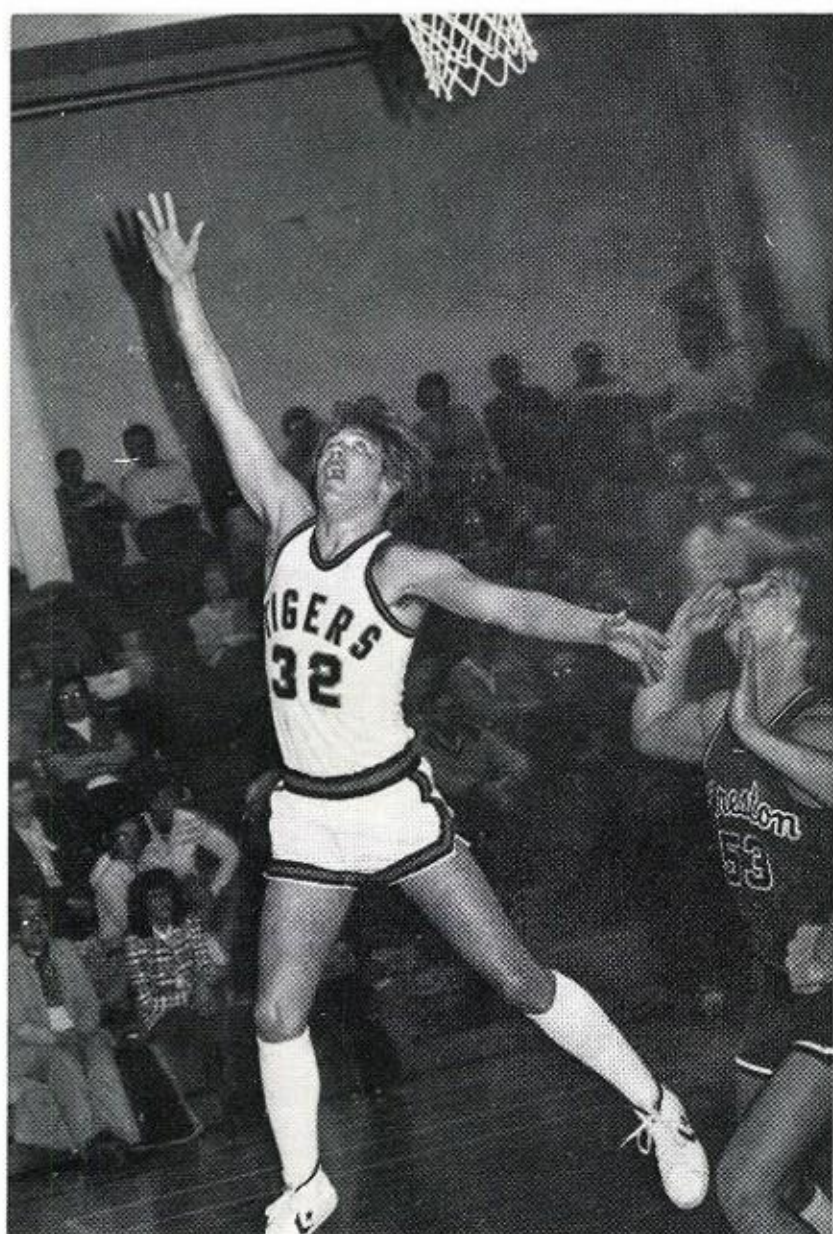

Reach For It

The boy's Basketball Team finished the 1981-82 season with a record of 13-7. The Tigers displayed team work, determination, and high quality skills on the court. Coached by Dan Martinez and assisted by John Gambs and Tim Neville, the team finished 3rd in the Hawkeye-8. Led by team captain Matt Davis, the players went all the way to Sub-State.

Letters were awarded to 12 players. Tom Wright made 1st Team All-Conference, all Southwest Iowa, and competed in Iowa/Minnesota All-Star games. Mike Bradley made 2nd team All-Conference and honorable mention went to Todd Tidgren.

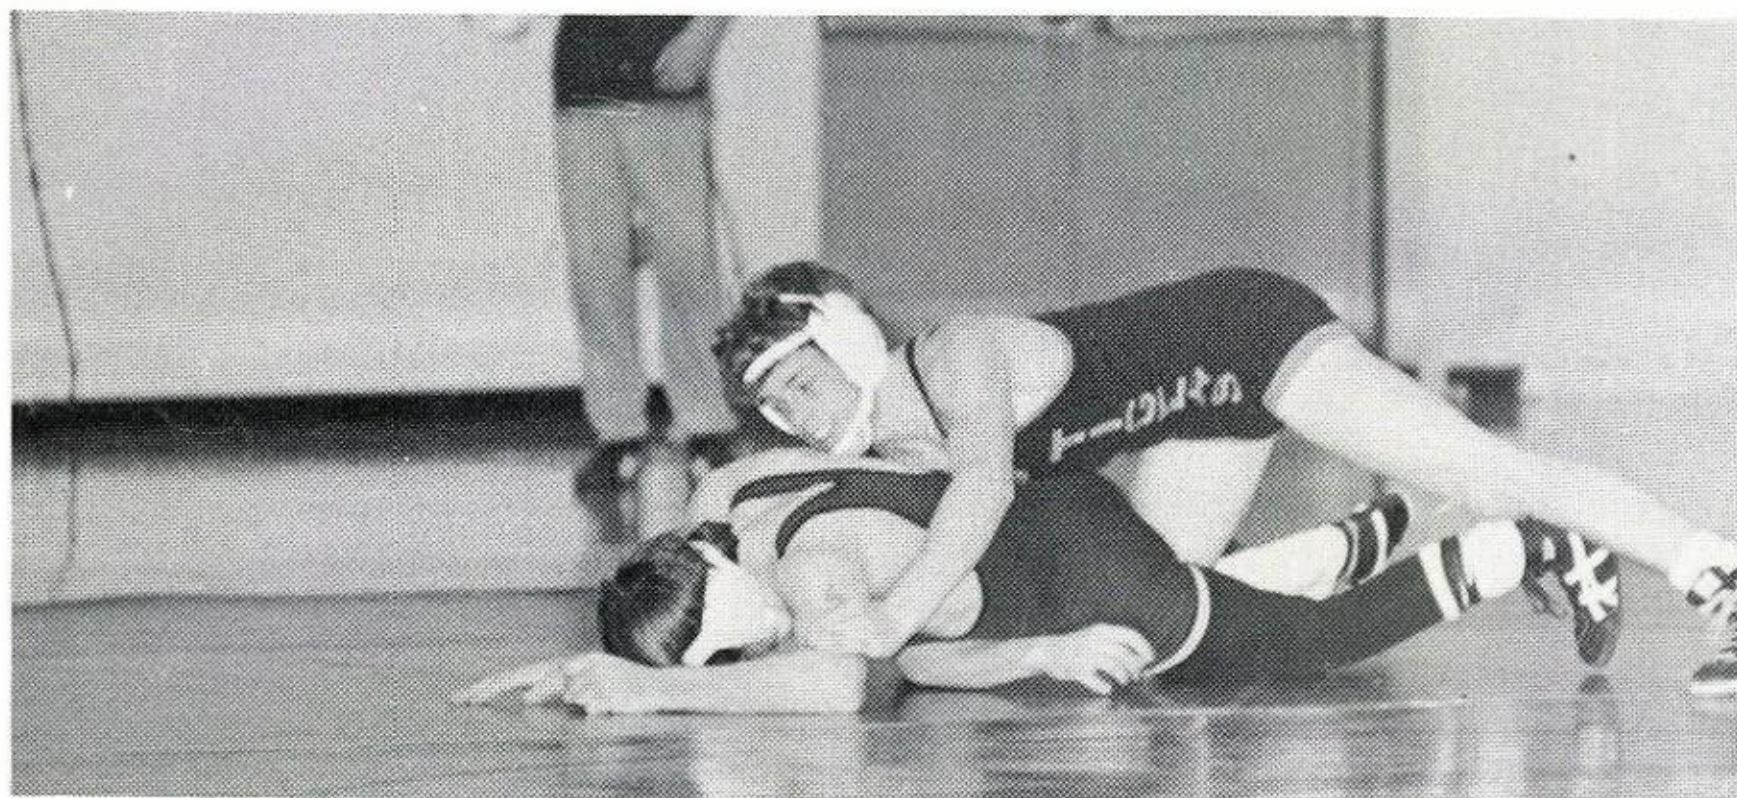

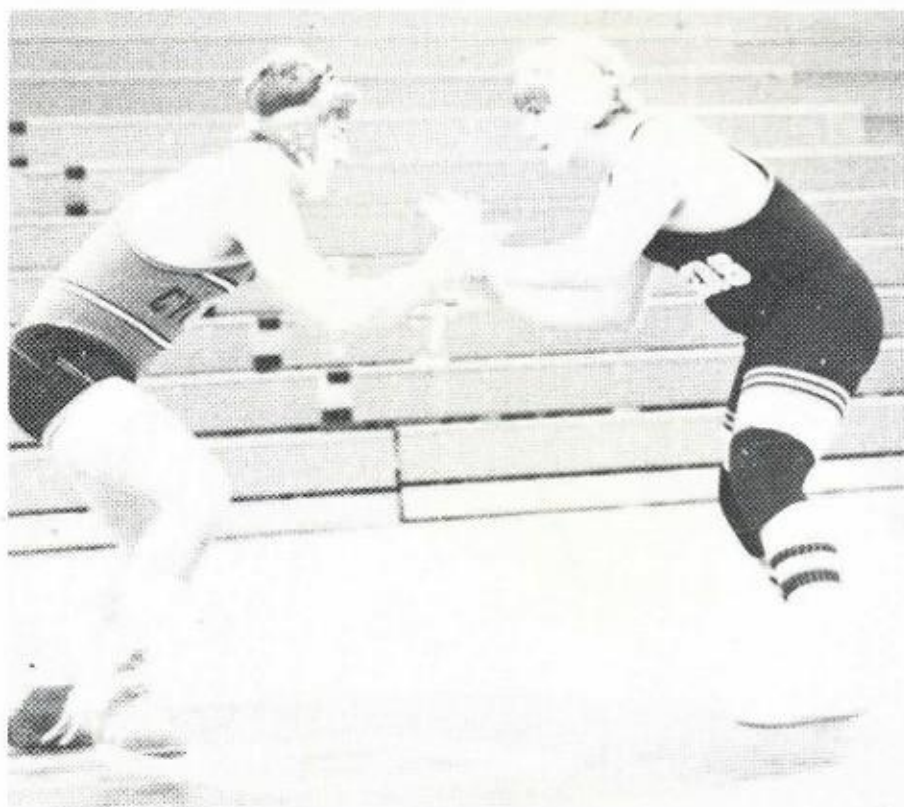

The Tiger Wrestling Team showed fierce determination and strength on the mats. The Varsity ended the season with a 3-9 record and 18 letters were awarded.

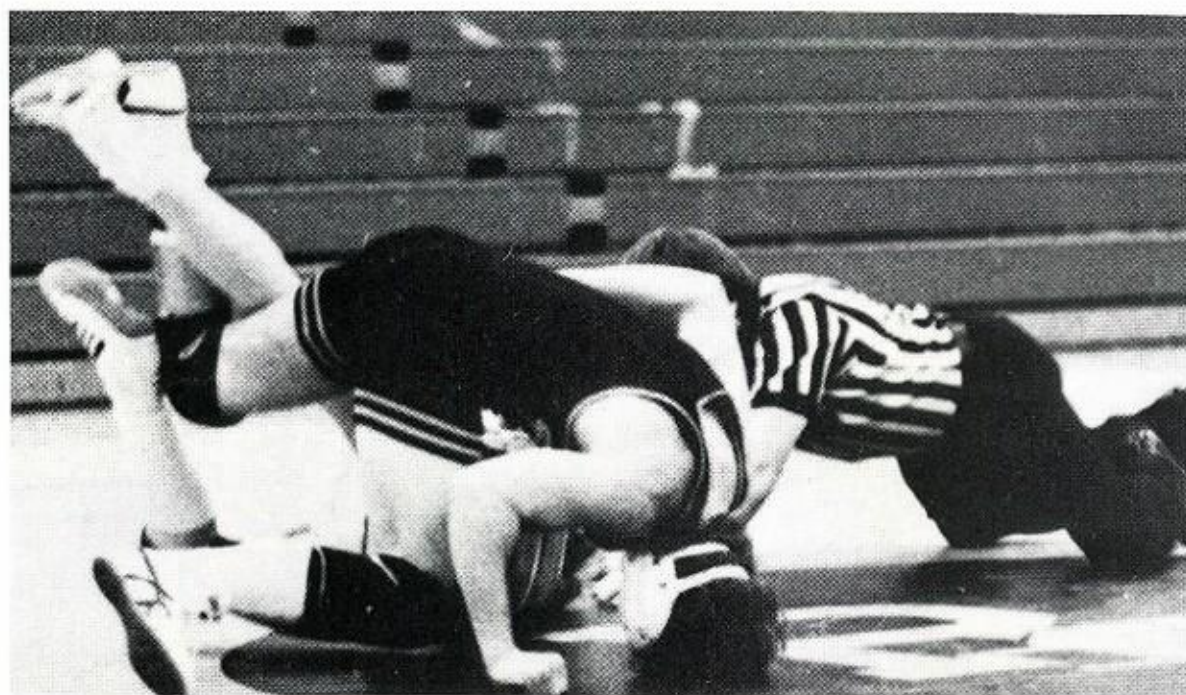

Four year letter winner Steve Rolofson, had a win loss record of 55-33. Jeff VanScoy, in two years, 28-15, beat the old record of 24-15 set by Gary Jipsen.

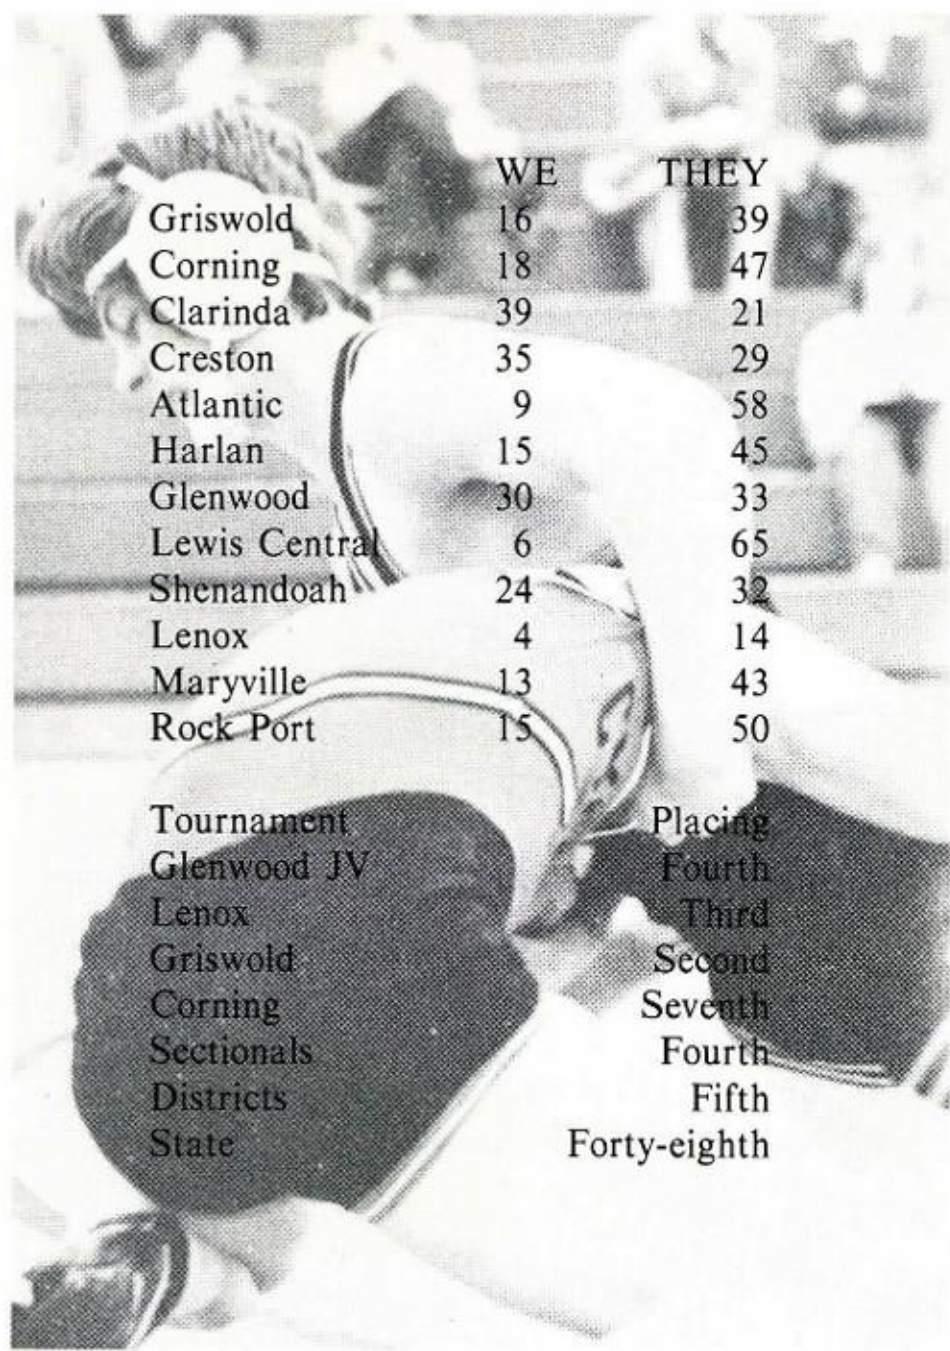

For the second year, Rolofson had the fastest fall timed at 10 seconds. Steve also had the most takedowns, 36. VanScoy had most reversals, 29; most near falls, 38; and most falls, 12. Ron McMullen and VanScoy tied at 27 for most escapes.

Rolofson, LeRette, and Jipsen placed 3rd at districts. VanScoy placed 1st and qualified for the state meet.

This season's Tigerette Roundballers concluded a very good year. Their overall record was 9-10 with five conference wins.

The season also brought with it awards and honors. Seniors Maria Swanson was named 2nd team All Conference, while Robin Tidgren and Laurie Greiner were honorable mention. Letterwinners were Greiner and Swanson for the 3rd year, Tidgren, Schantz, Thompson for the 2nd year. Kelli Flanagan, Cathy Huston, Becky Meggison, and Kathy Reisinger, Brenda Dobbs and Kris Swenson were first year letter winners.

Conference, District and Southwest Iowa Champions. The 1982 Track squad goes into the record books as one of the all-time greats. Four new school records were written by Shehan in the 3200, Miller in the high hurdles and 400 m. lows and the medley relay team of Durlin, Mikuls, Mellot and Euken. Randy Miller was second in the state in the long jump; a finish he had at the Drake Relays. A great year for the cinder squad in spite of an unusually cold and wet spring, evidence of dedication and promise for next year!

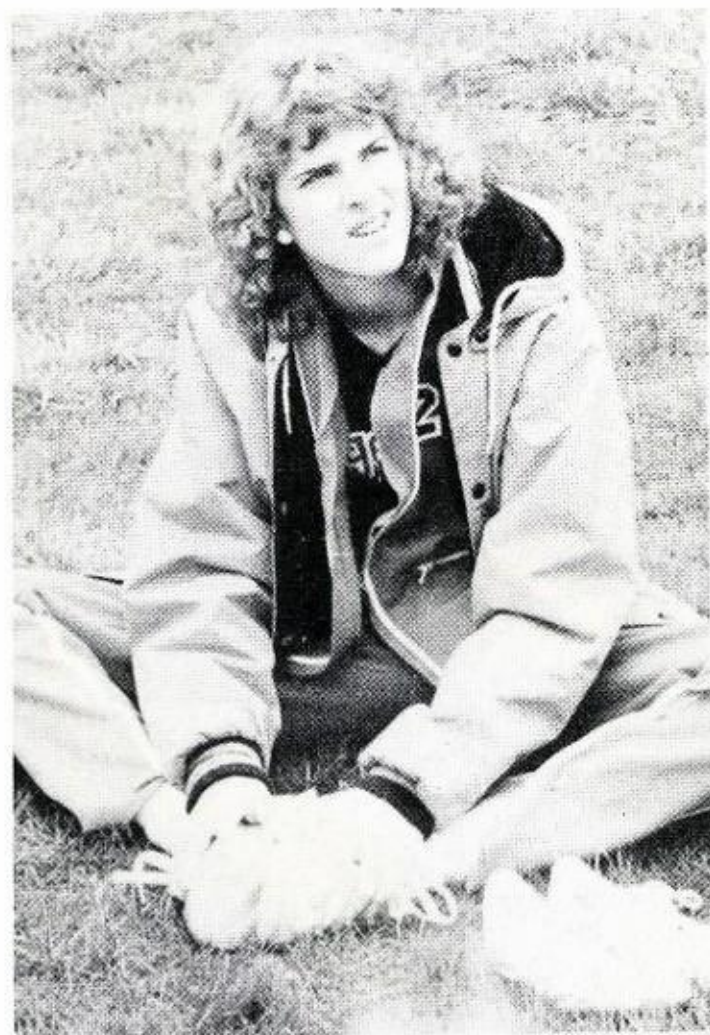

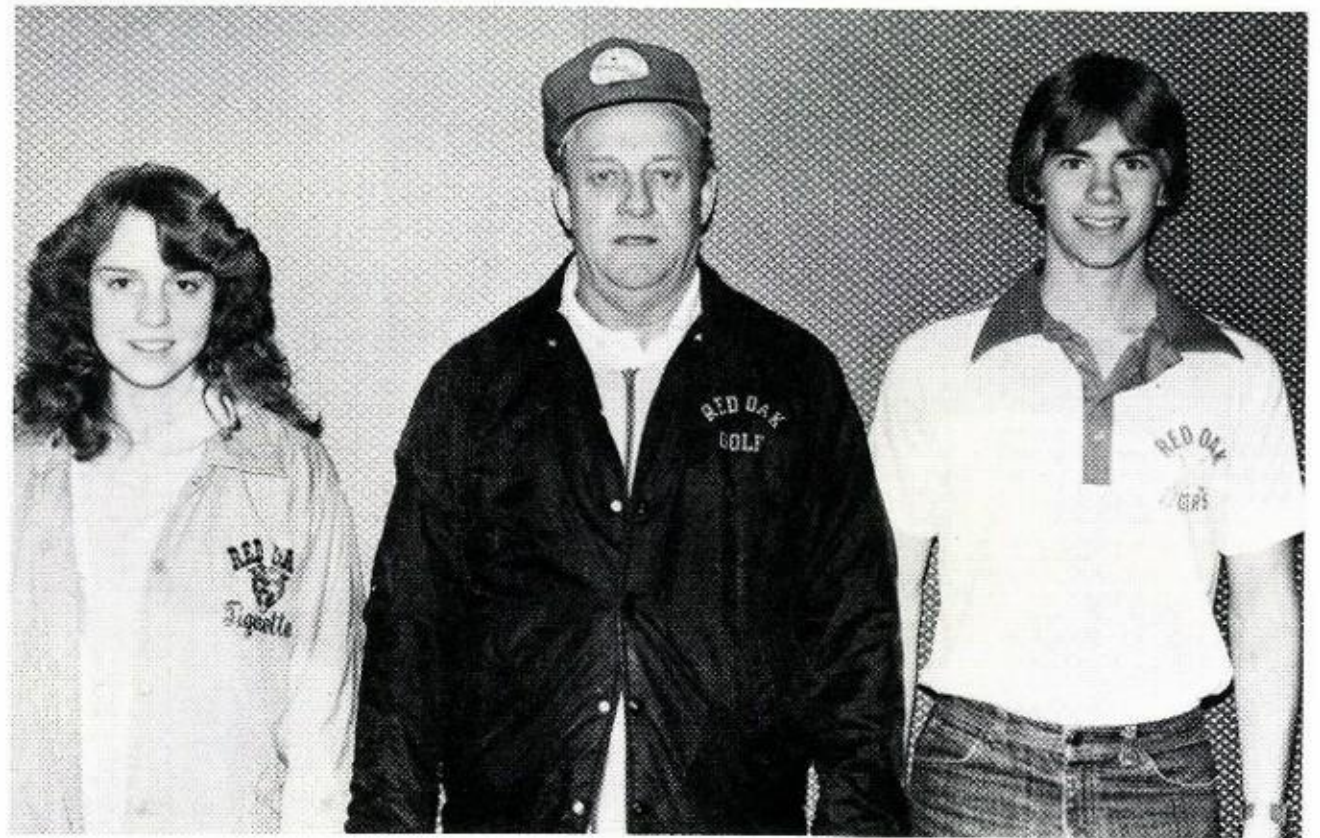

No 1.

The Tiger Cinderettes made history this year winning their first teams trophies — a 2nd at the Creston Relays and Mt. Ayr. Laurie Greiner set a school record in the long jump, Kris Swenson set another in the high jump. The sprint medley team of Diana Dyer, Kris Swenson, Becky Meggison, and Carey Carmichael set a school record taking 1st at District and qualifying for State. Twenty-two earned letters.

Undefeated Season

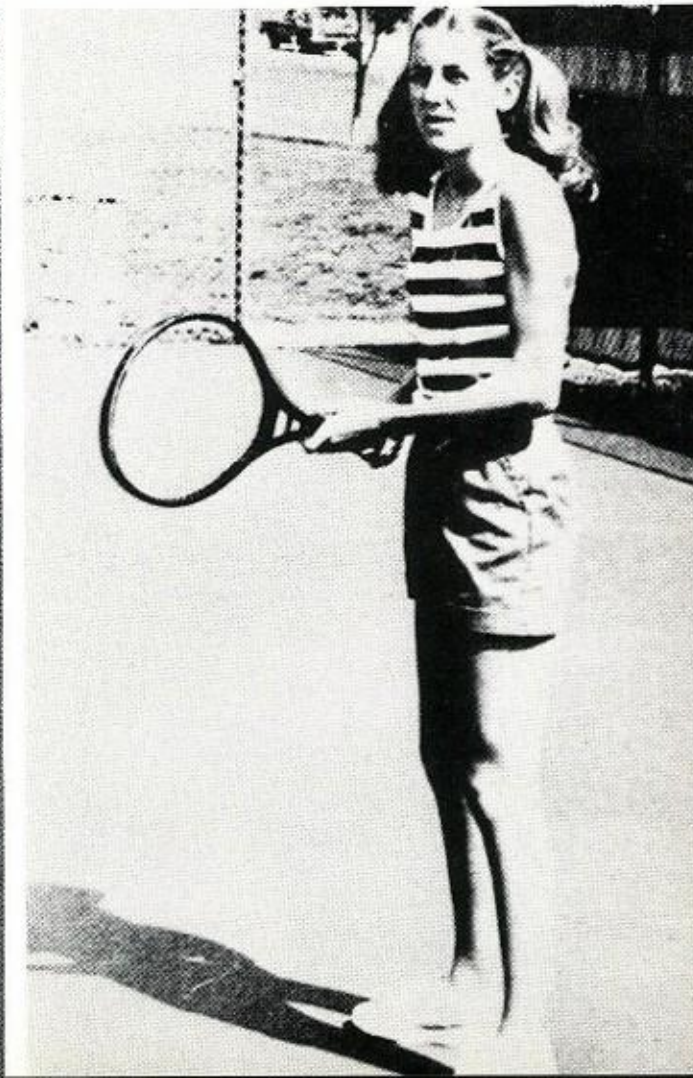

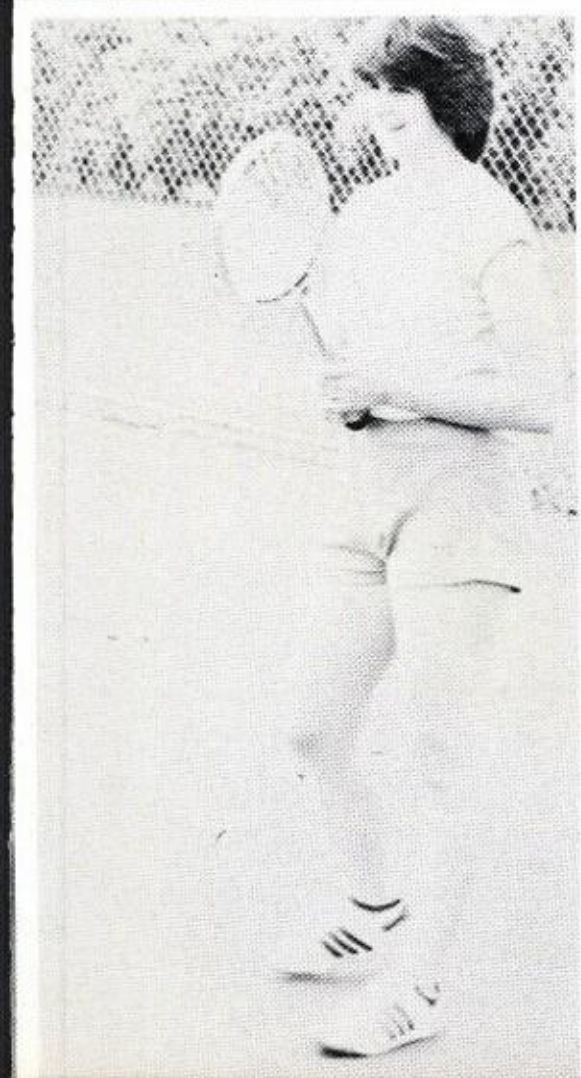

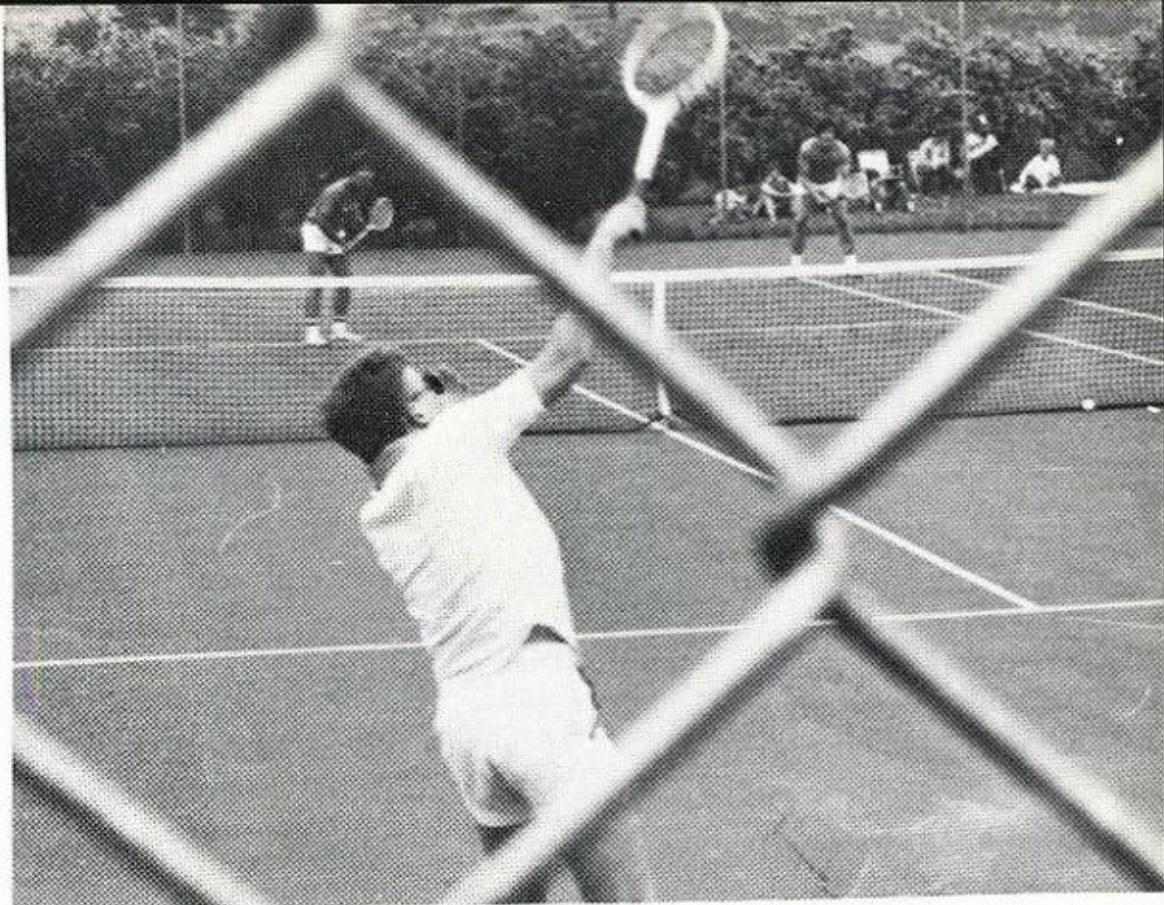

The girl's tennis team had an undefeated season, a conference title, Sectional and District championships. Huston and Reisinger were State doubles entries.

The boys team finished with a 7 and 2 season ranking third in the Hawkeye-8. McKee and Snyder led the Tigers back into the first division.

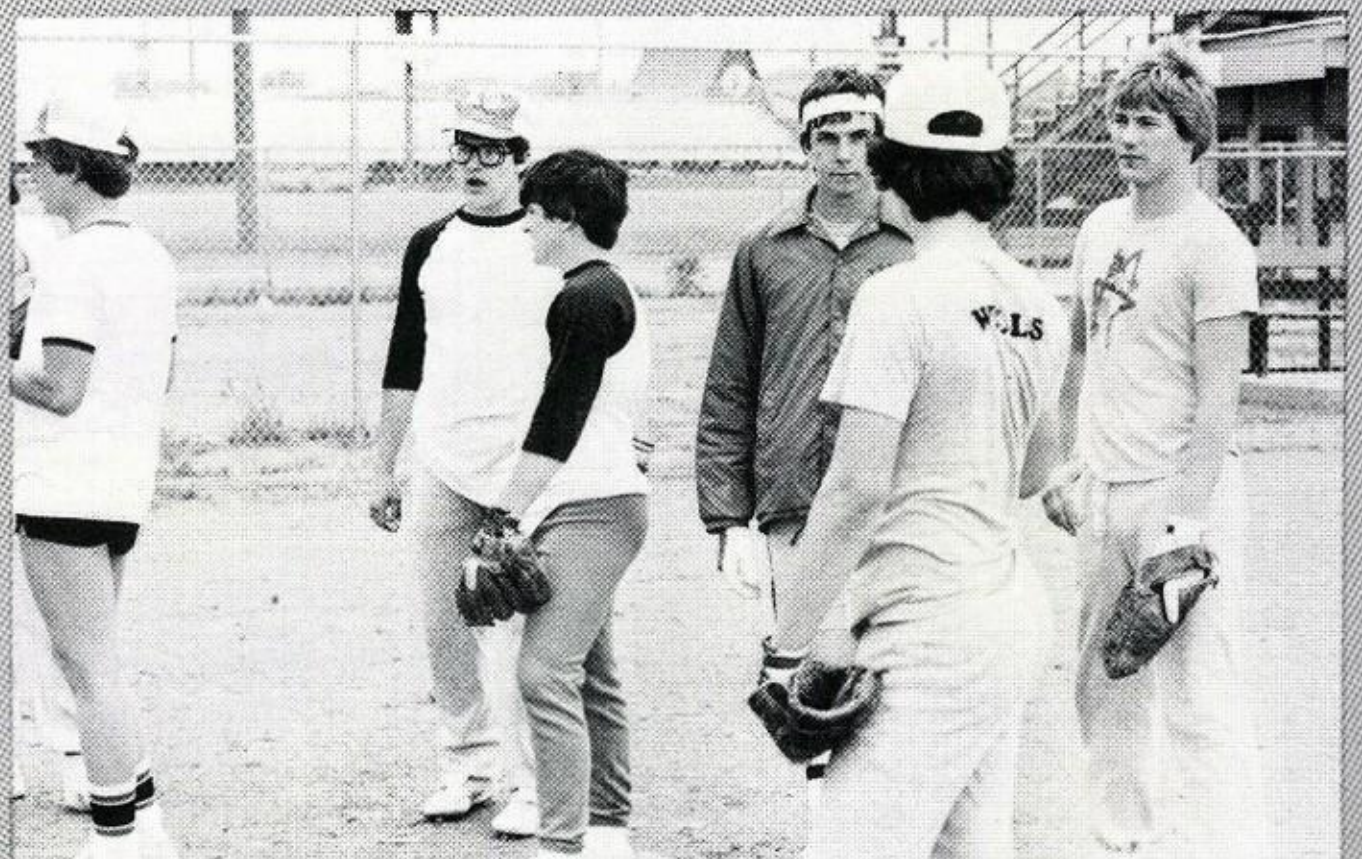

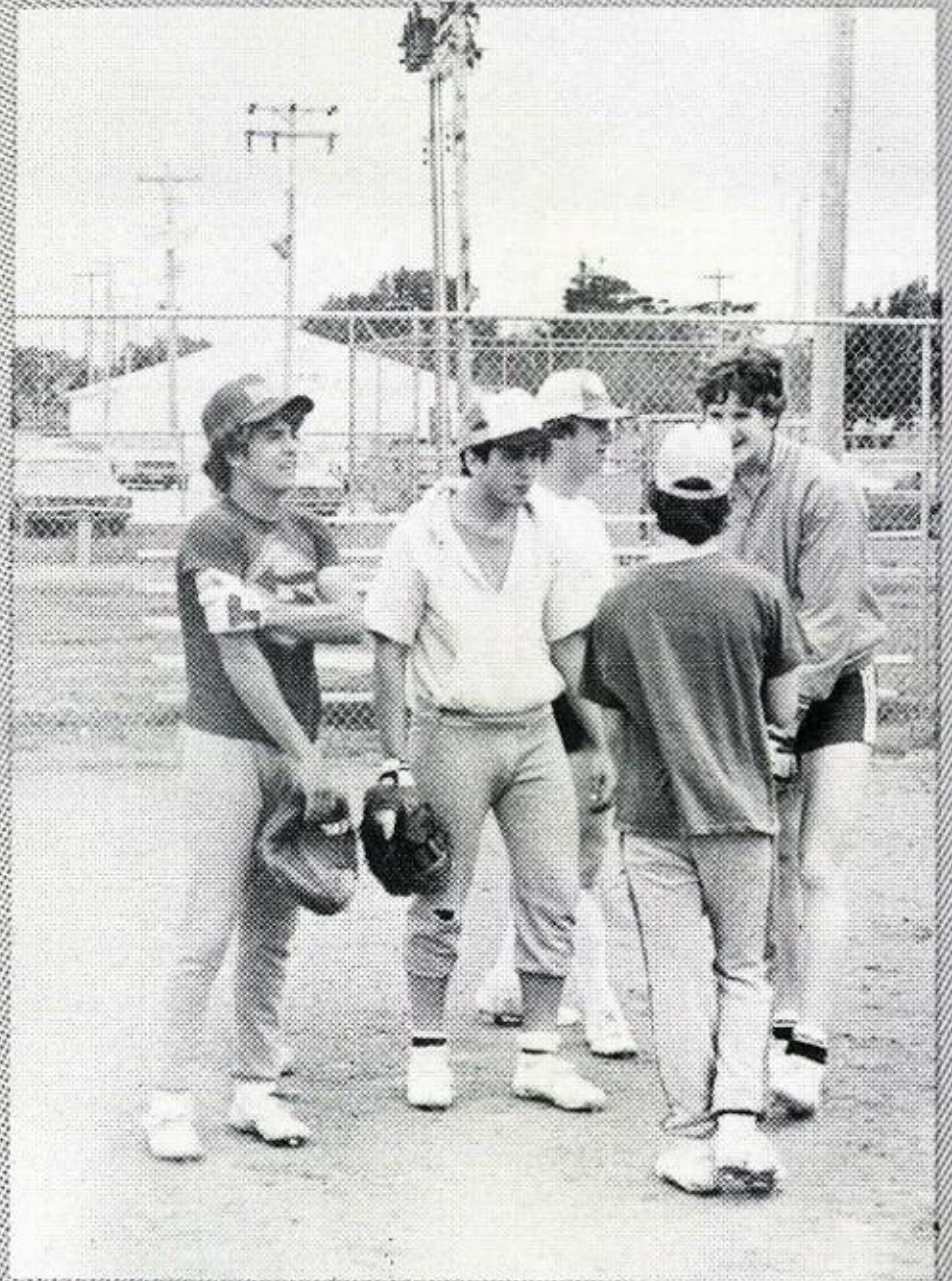

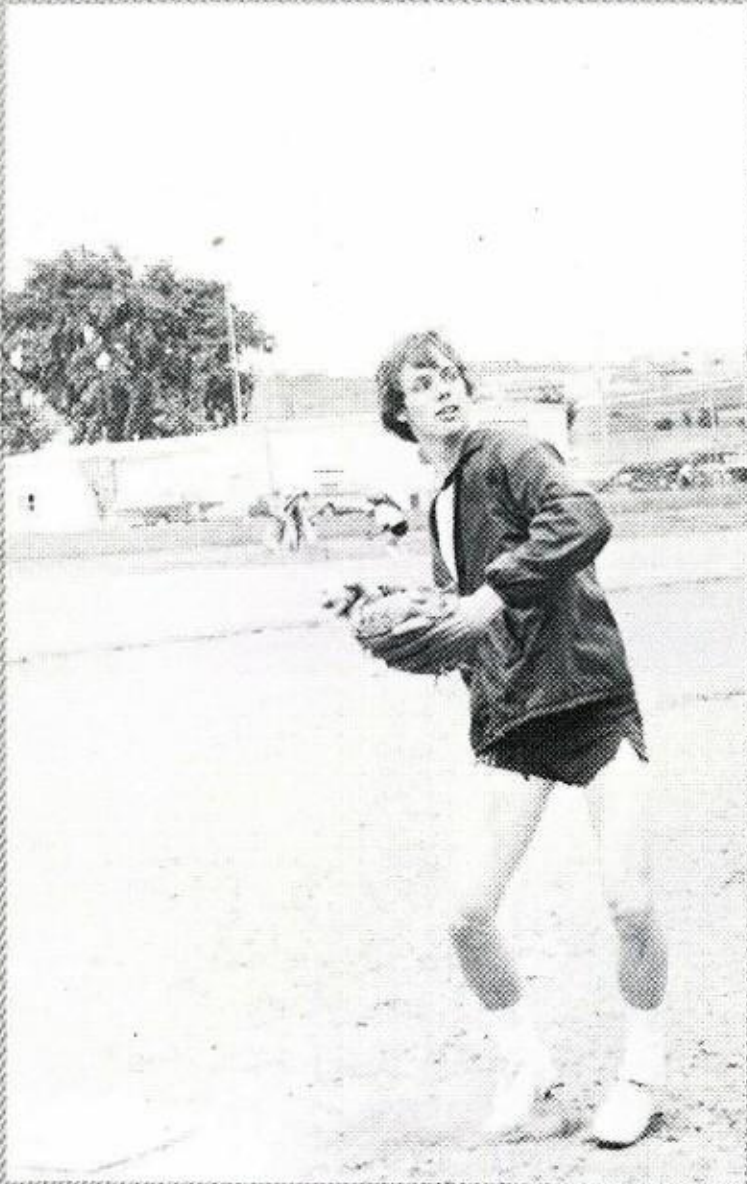

Conference honors went to Grasso, Reisinger, McKee, Horner were 1st team; Huston was named for 2nd. Snyder won honorable mention.

“They play at wakes and weddings and at every fancy ball” . . . Not really. It just seems like it for the band provided a host of school and civic functions with entertainment and ceremony as they continued their tradition of service and excellence.

Another year of glamour and excitement for the multi-talented vocal department. The Minisingers performed nearly every week it seemed. An outstanding musical, Mame, brought the crowd to its feet. And, the winning tradition continued at contest under the able direction of Mr. Larry Mannasmith.

Speech and Debate

It was a record year for Speech and Debate. More trophies and honors to individuals than any other year. The year marked the beginning of the Lincoln — Douglas style debate that will give more freedom to debaters.

Speech contestants repeated the banner year they enjoyed last year, the Sophomore class especially turned in excellent performances. Jayne was honored by selection to Super State.

Involvement is the word with members of the Red Oak Chapter of Future Business Leaders of America. That is, involvement with businesses, community, school and other FBLA members on the local, state and national levels.

In keeping with this theme members participated in the National FBLA leadership Conference in Chicago in July of 1981. Red Oak and the state of Iowa elected Pat Boylan as the National Treasurer of FBLA. This was the first national officer from Red Oak. The chapter also received the Gold Seal Award for being one of the outstanding chapters in the nation.

Other conferences attended by the members included the fall leadership Development Conference in Milwaukee, Wisconsin; and the Iowa Leadership Conference in Maquoketa; and the Iowa State Conference in Cedar Falls. Two state officers were elected at the 1981 State meeting. Joe Edmondson has been serving as the Iowa FBLA State Treasurer and Joe Poertz is the state Parliamentarian.

Activities of the chapter included several fund-raisers, Red Oak Chamber of Commerce membership, Red Oak Junction Days, Crazy Days Promotion, Warehouse Sale and Antique Auto Days. The members ran the pop corn wagon during the summer as a money management project. New chapters were installed at Glenwood and Lewis Central. A Business Leaders Breakfast attended by over 70 people was held in Feb. to thank the business community for their support and to celebrate National FBLA Month.

Members serving as local chapter officers were: Linda Harold, President; Joe Portz, Vice-President; Diane Bruce, Secretary; Kim Heuer, Treasurer; Barb Gillespie, Reporter; Jeff Bullinton, Parliamentarian.

“Working together day by day”

If you have wondered where half the senior class was half the day, here is the answer. Trades and Industry and Diversified Occupations give students the opportunity to experience the real world of work. For one half of their Senior year these students have been working as sales clerks, receptionists, lab technicians, mechanics and repairmen. Many will find a field that will become their lifetime occupation. The program, under the direction of Mr. Dick Morrison, has proven very successful and each year more and more students have taken part. The community, in spite of unfavorable economic times, has been supportive. The job stations are more than mere labor positions and often the trainee uses highly sophisticated tools and machines not available within the school. More than forty participated this year.

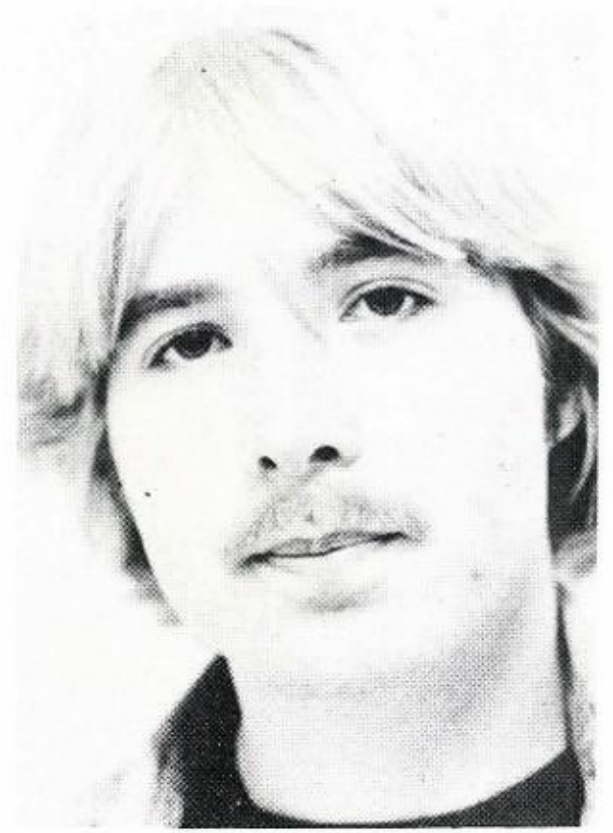

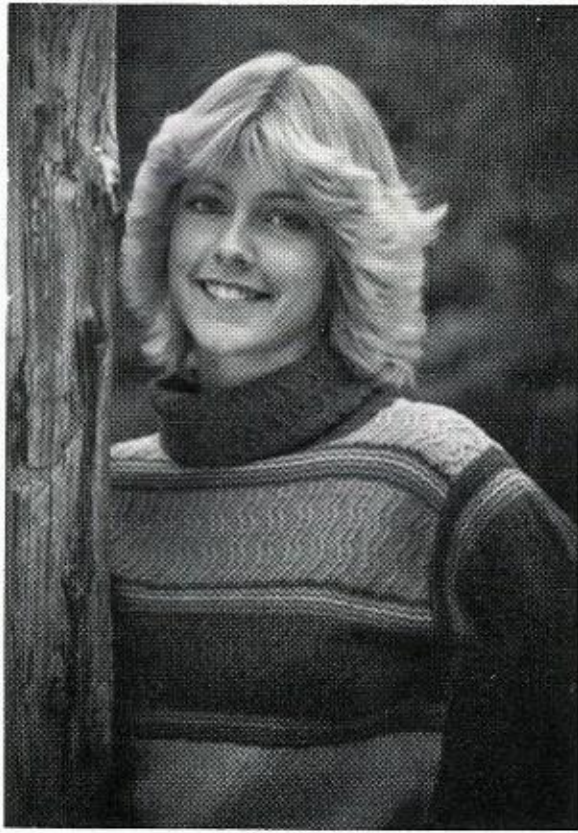

Twenty-four new members were brought into the National Honor Society in 1982. Membership is selected from those students that have an earned grade point of 3.0 or above and meet the other qualifications for membership. Red Oak has one of the oldest chapters in the nation.

Athletic Banquet

The student athletes of ROCHS dine royally as the Jazz Band plays.

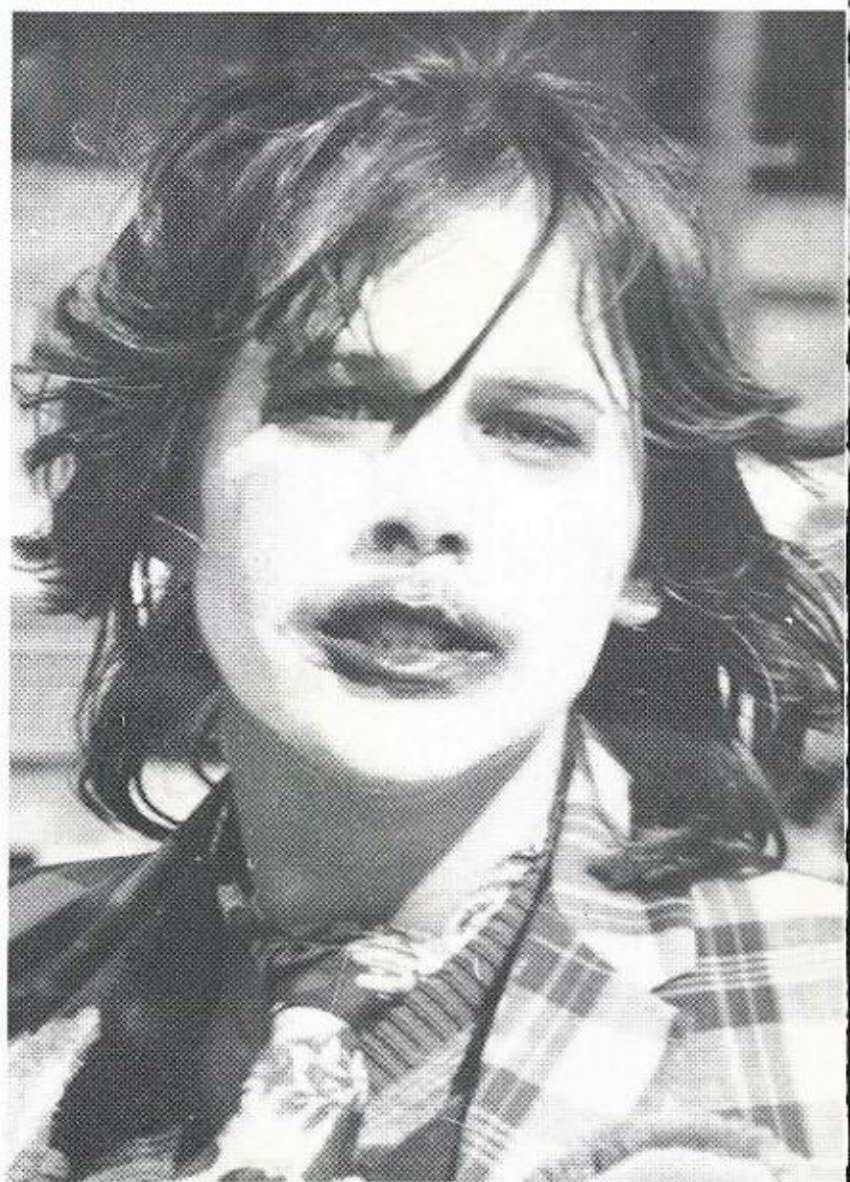

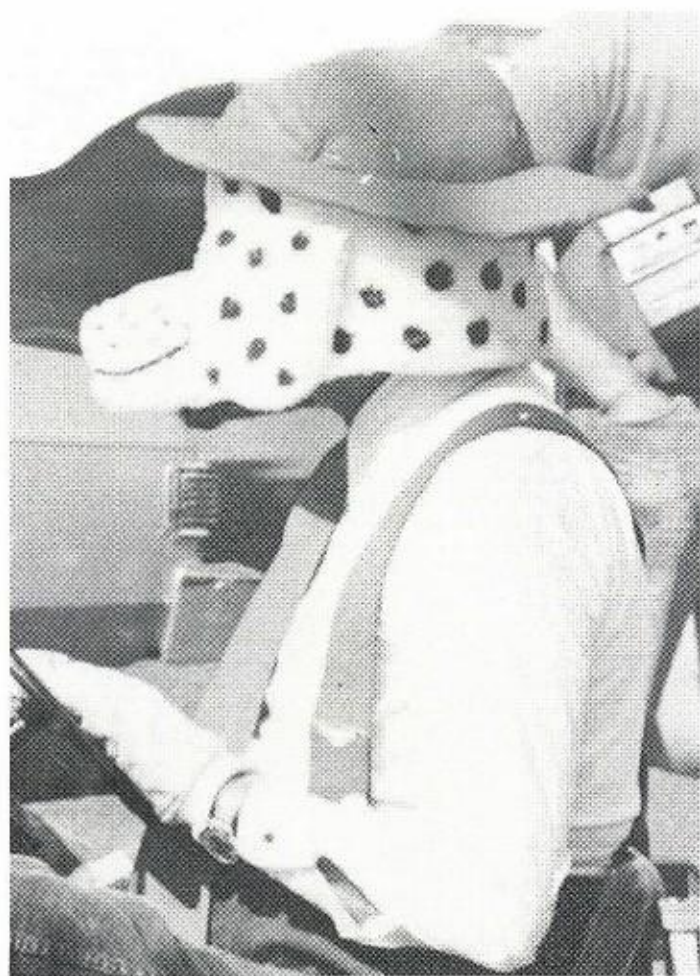

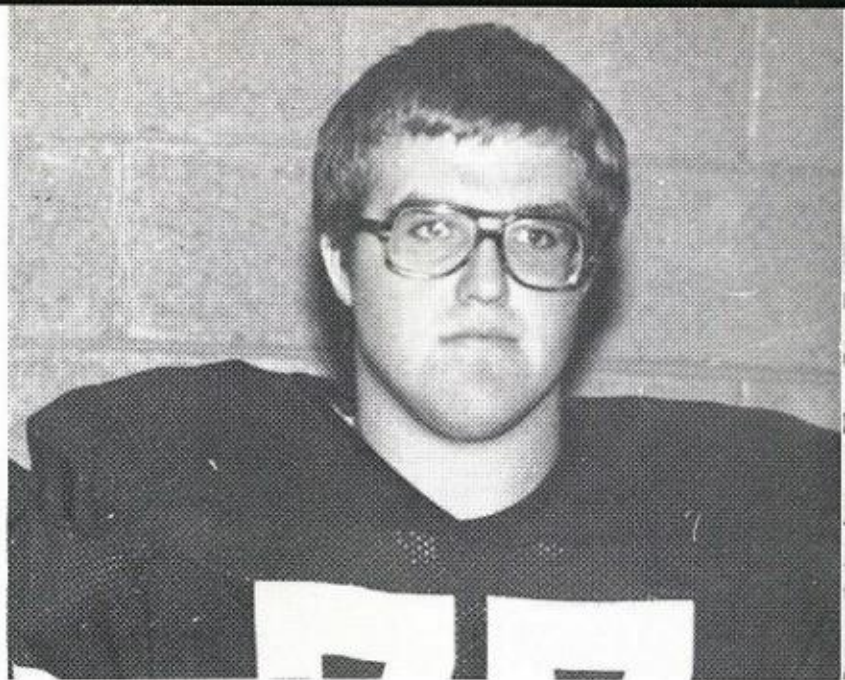

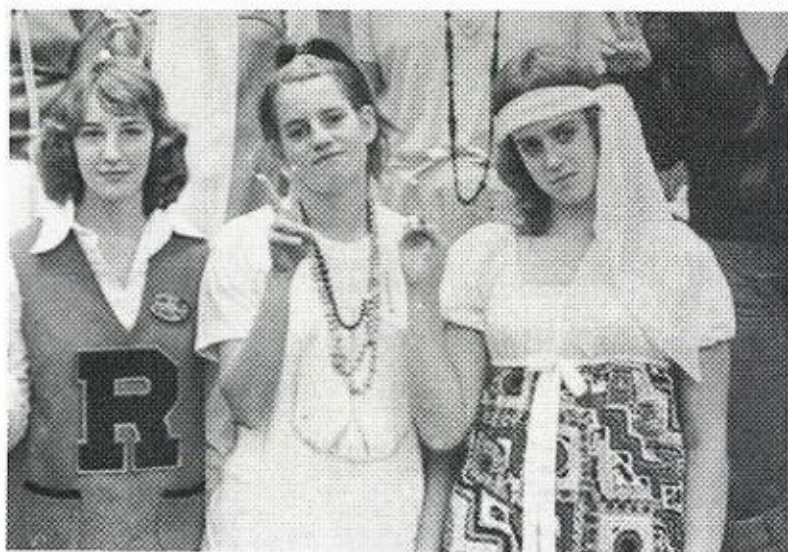

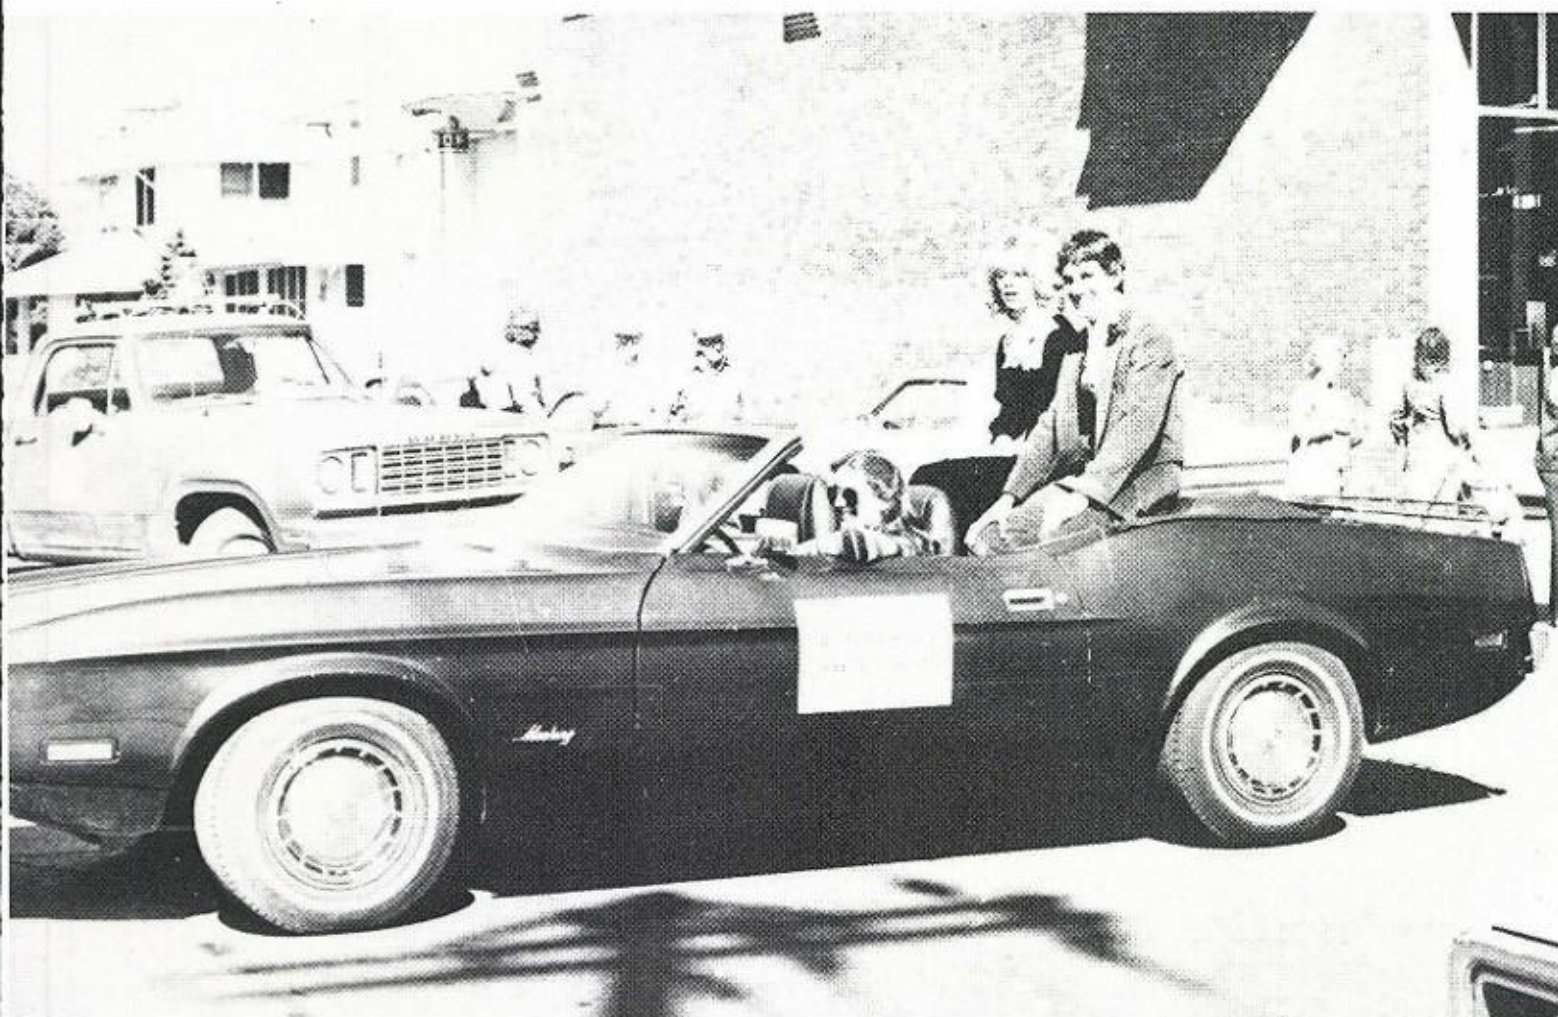

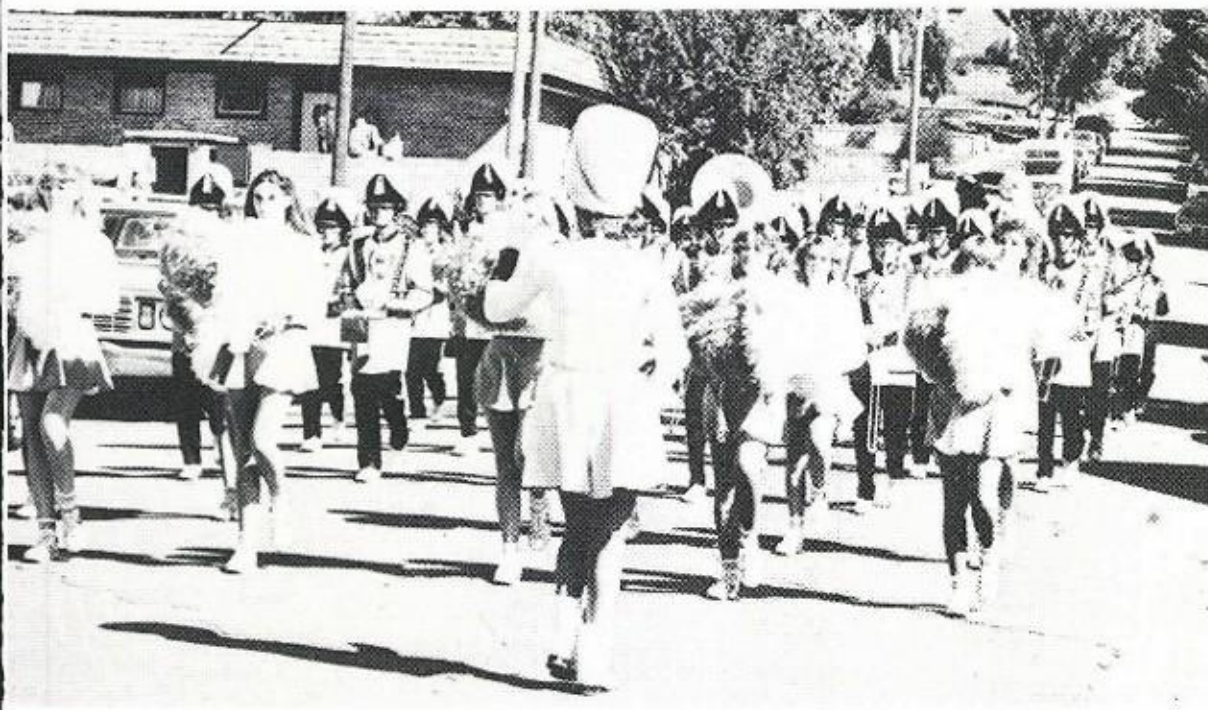

One of the hardest working squads in the school is the cheerleading group. These gals put in as many hours as the team for which they cheer. Not only do they practice many long hours but they also help decorate the walls with words of encouragement and provide spirited pep rallies for the student body.

Homecoming

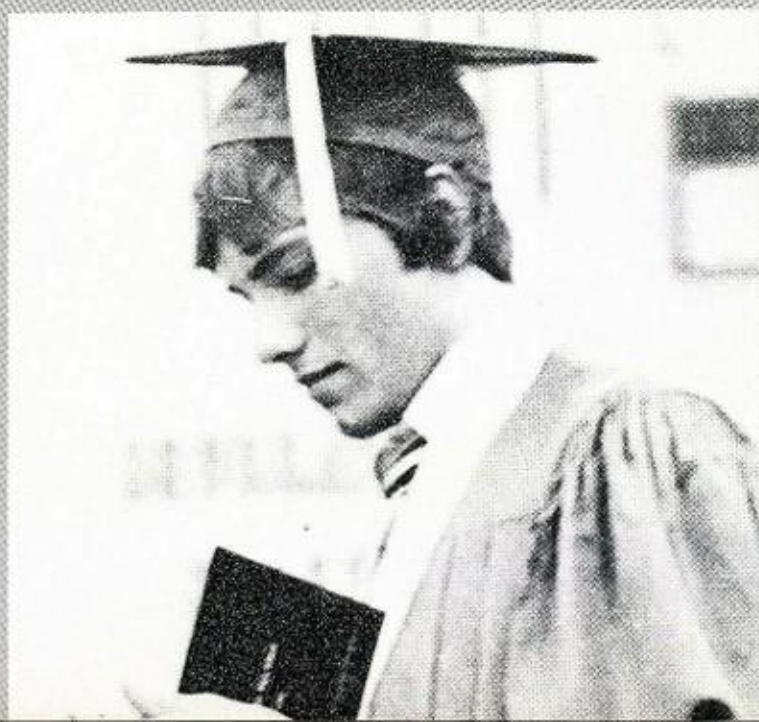

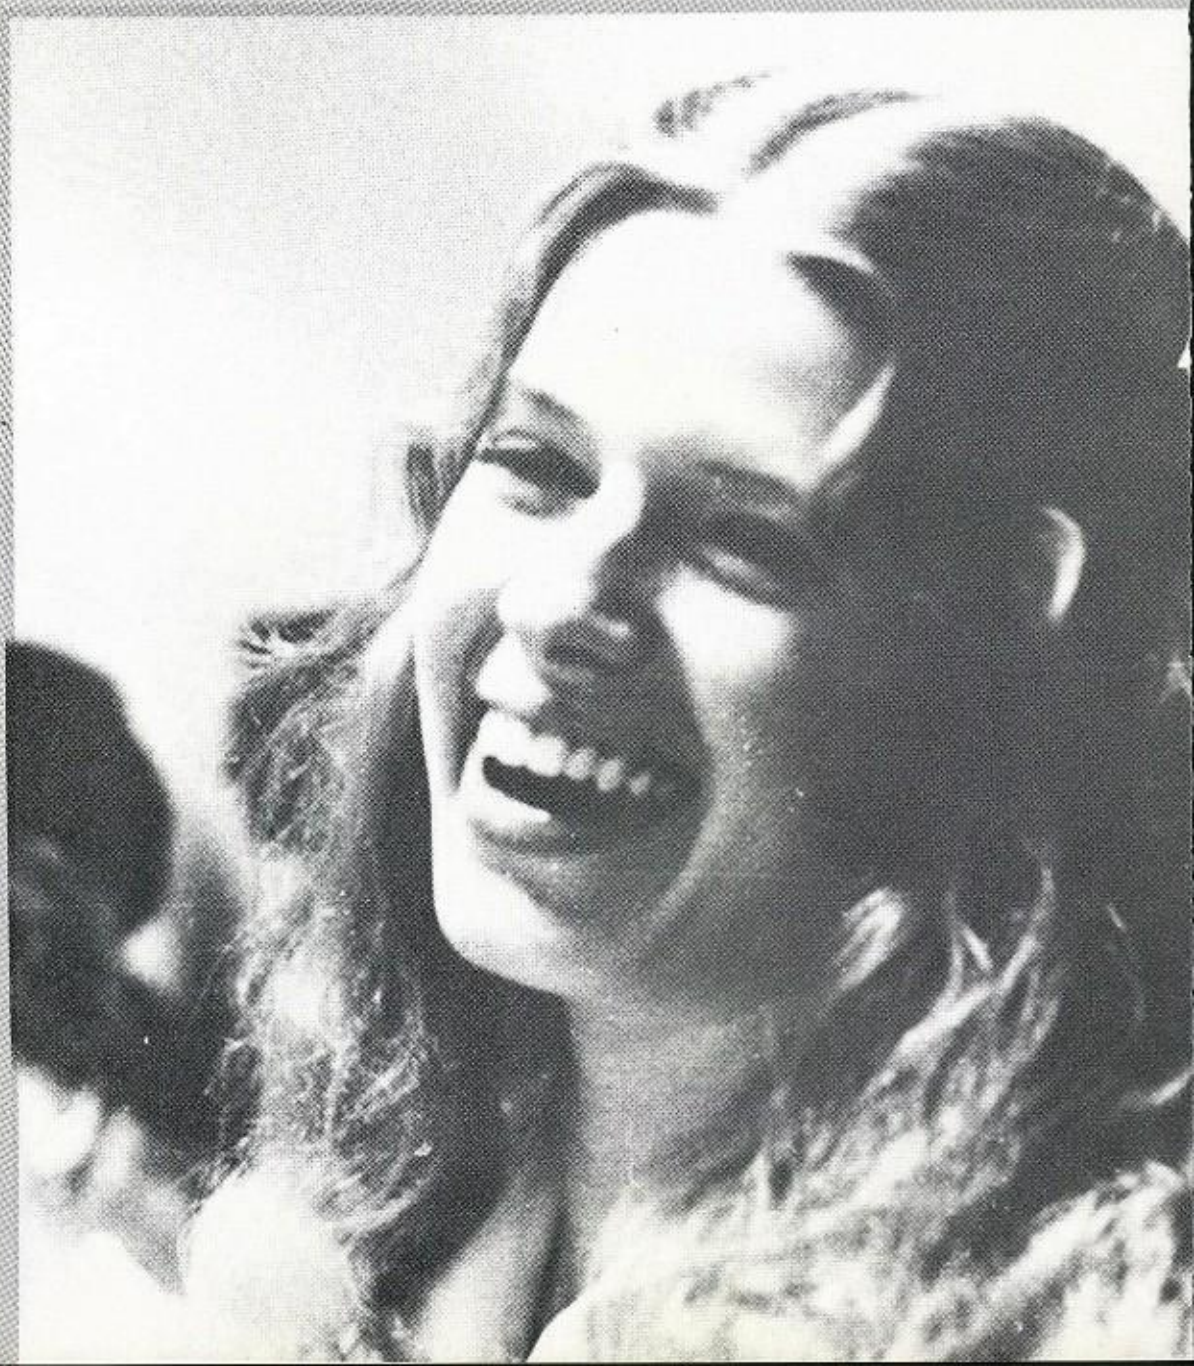

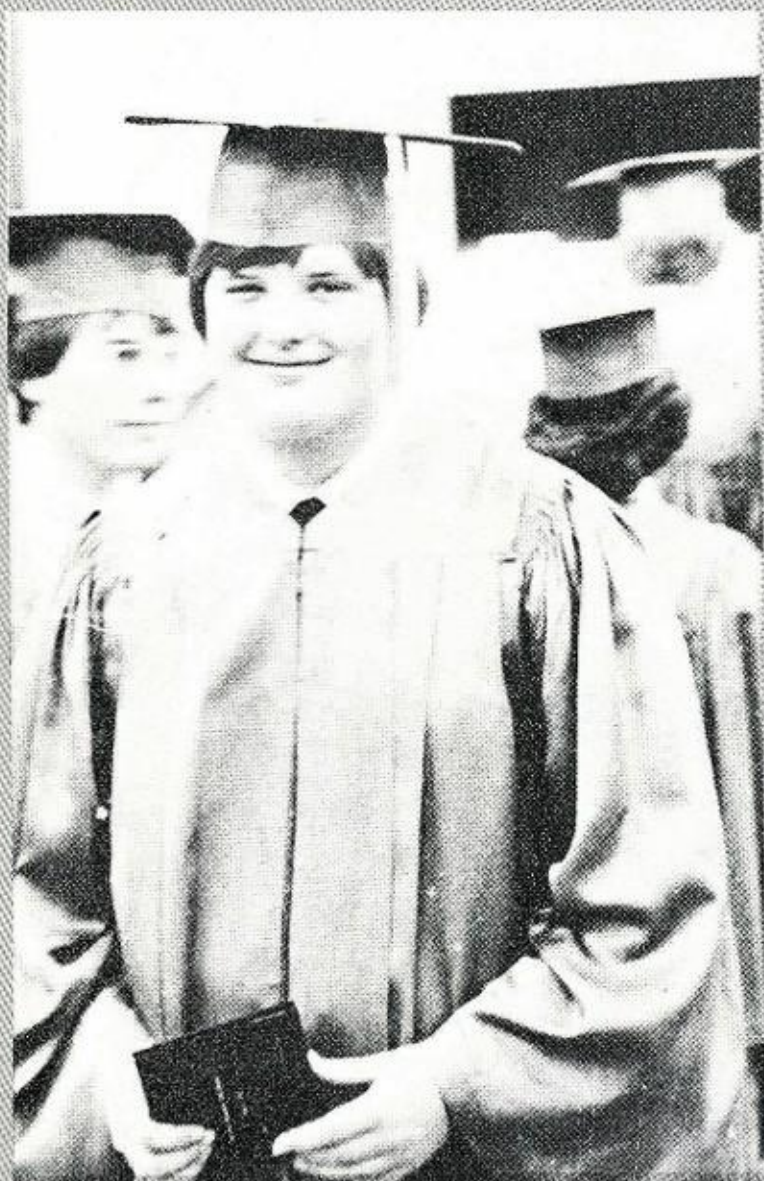

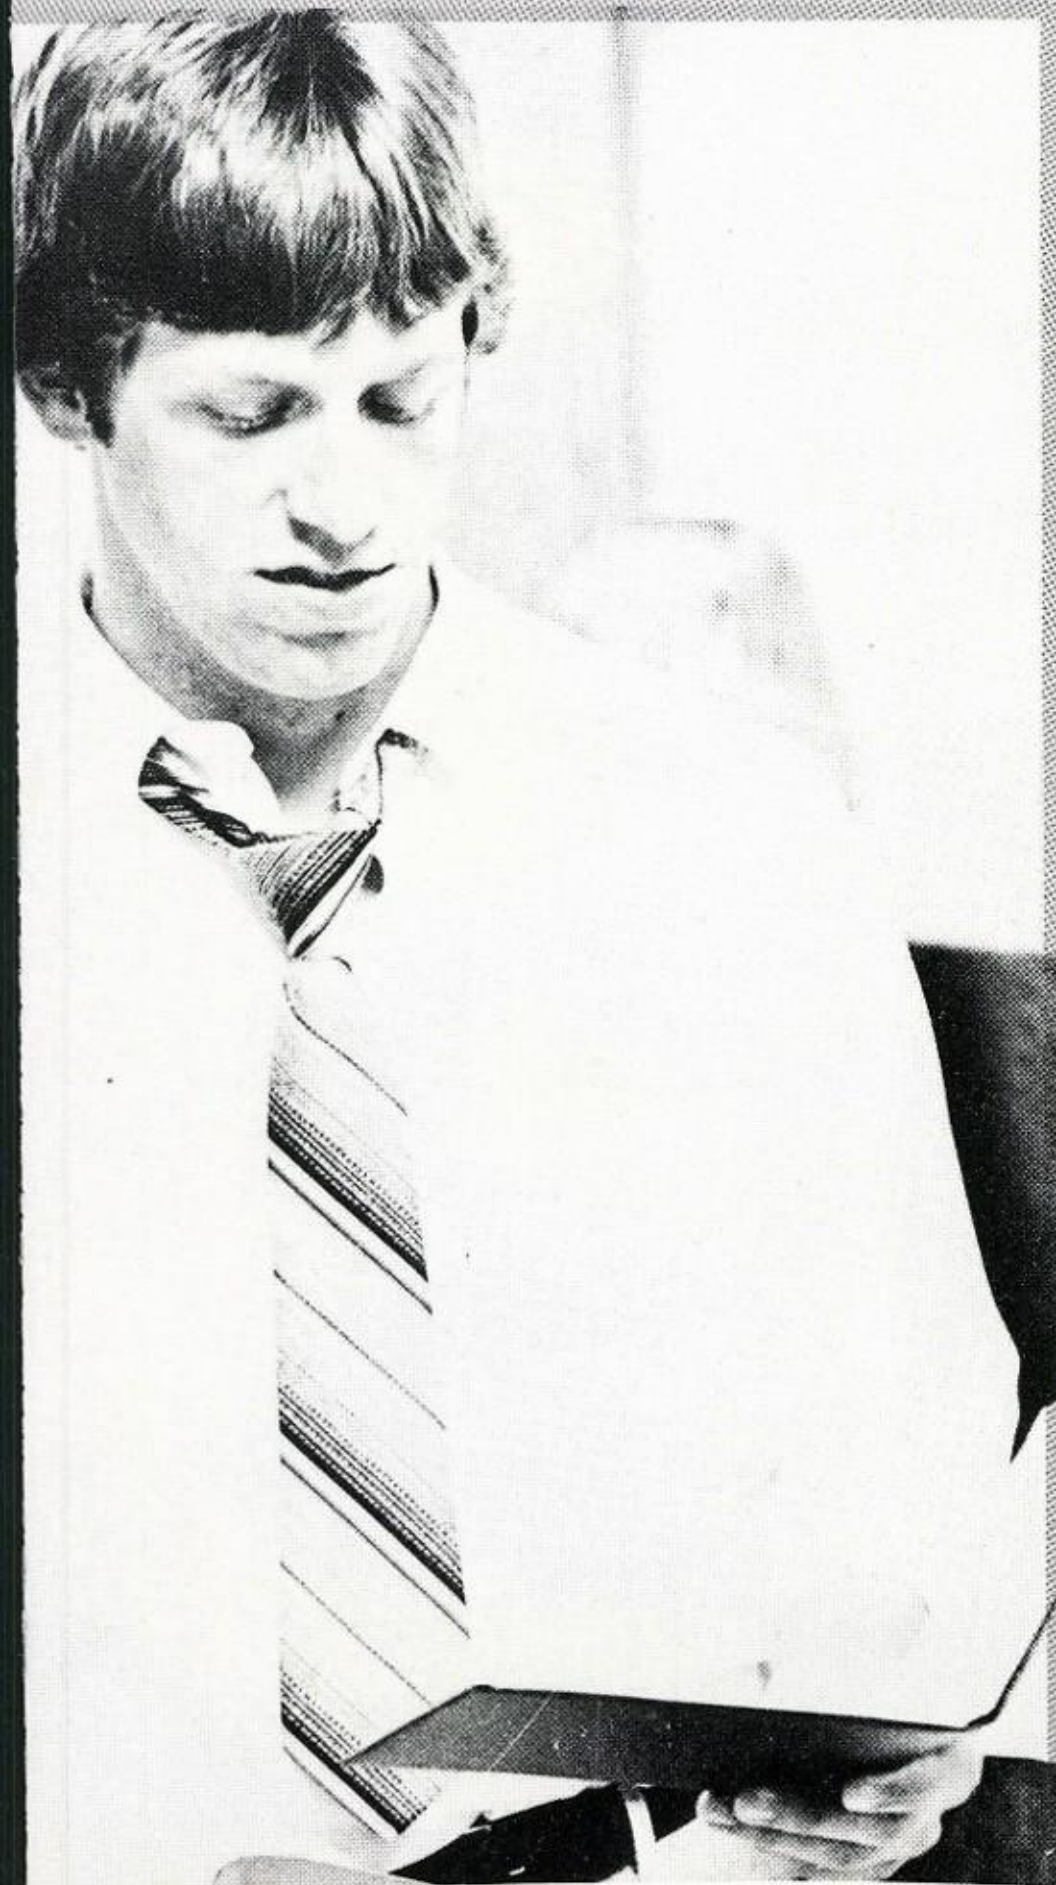

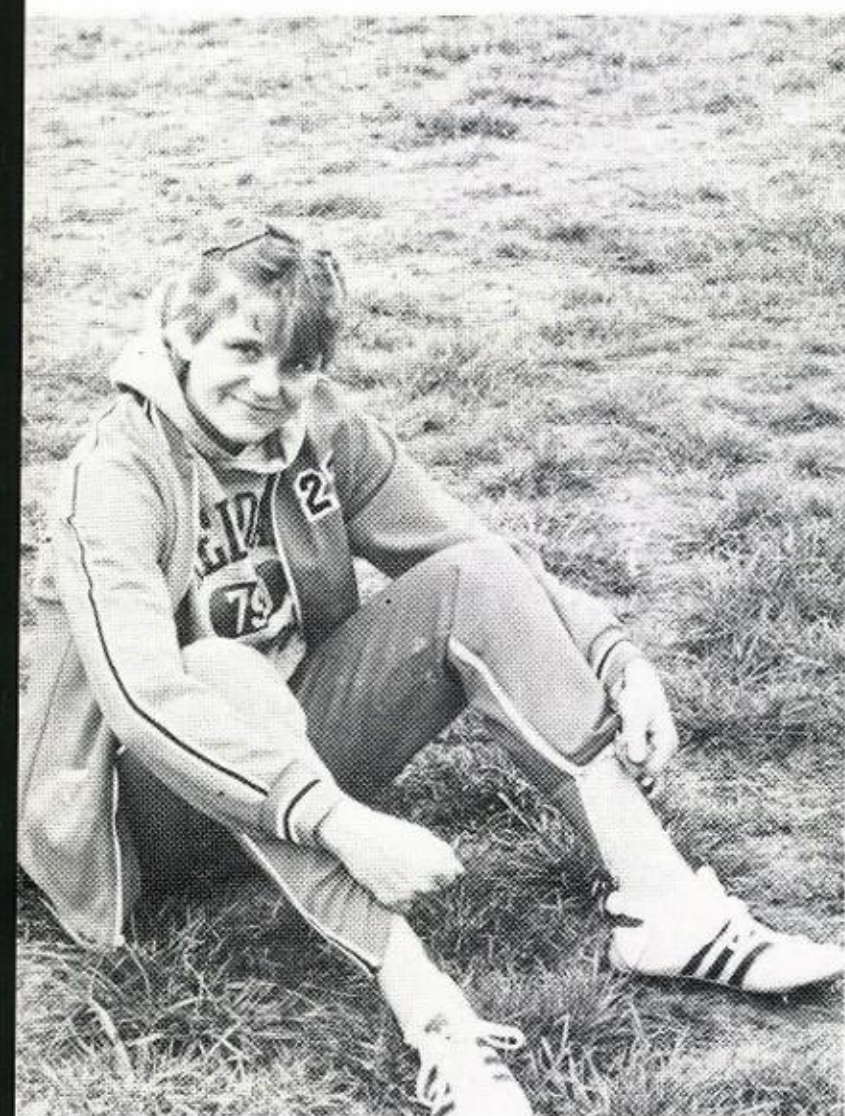

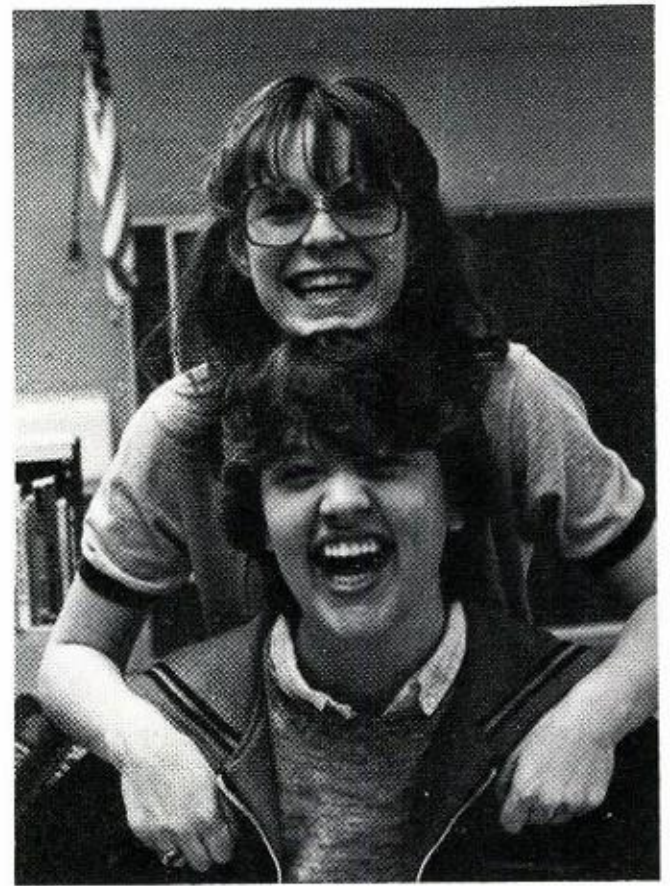

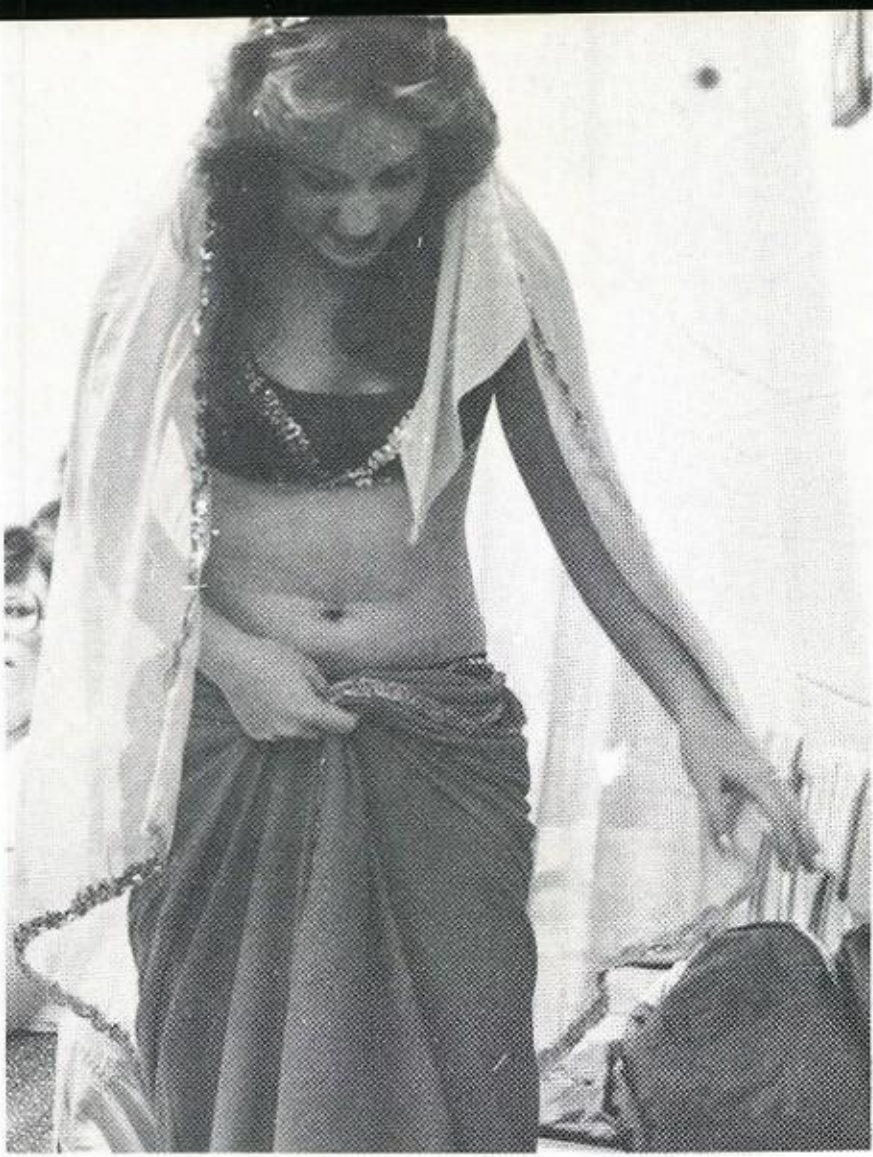

The Big Day. After thirteen years, the day arrived and was met with smiles and tears. The day was fair and not too warm. The ever present spring rains held off until shortly after the ceremonies.

Within minutes the crowds were gone, the gowns returned and the class of 1982 was on its way.

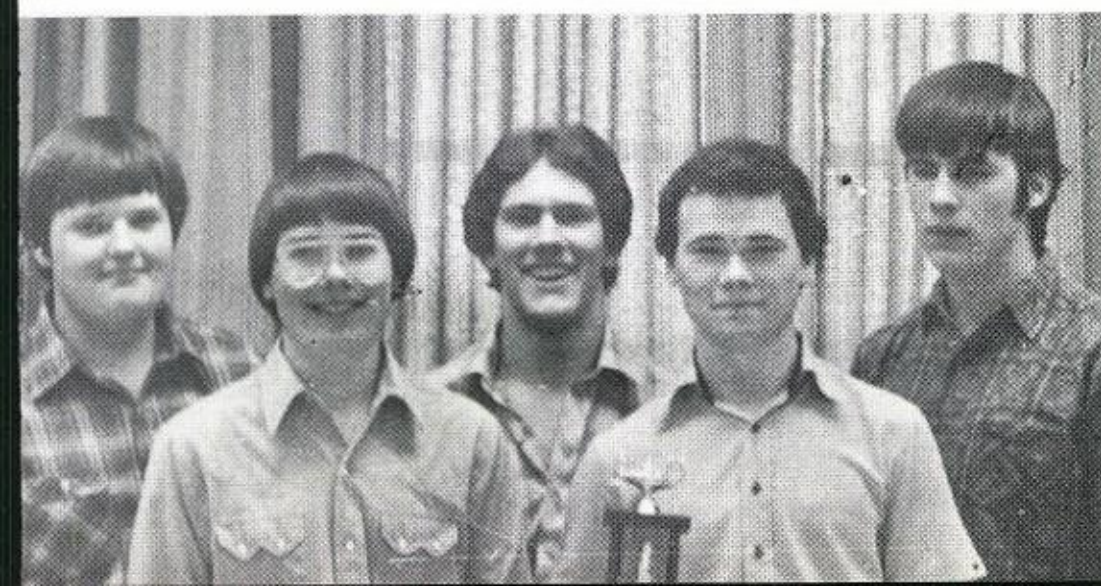

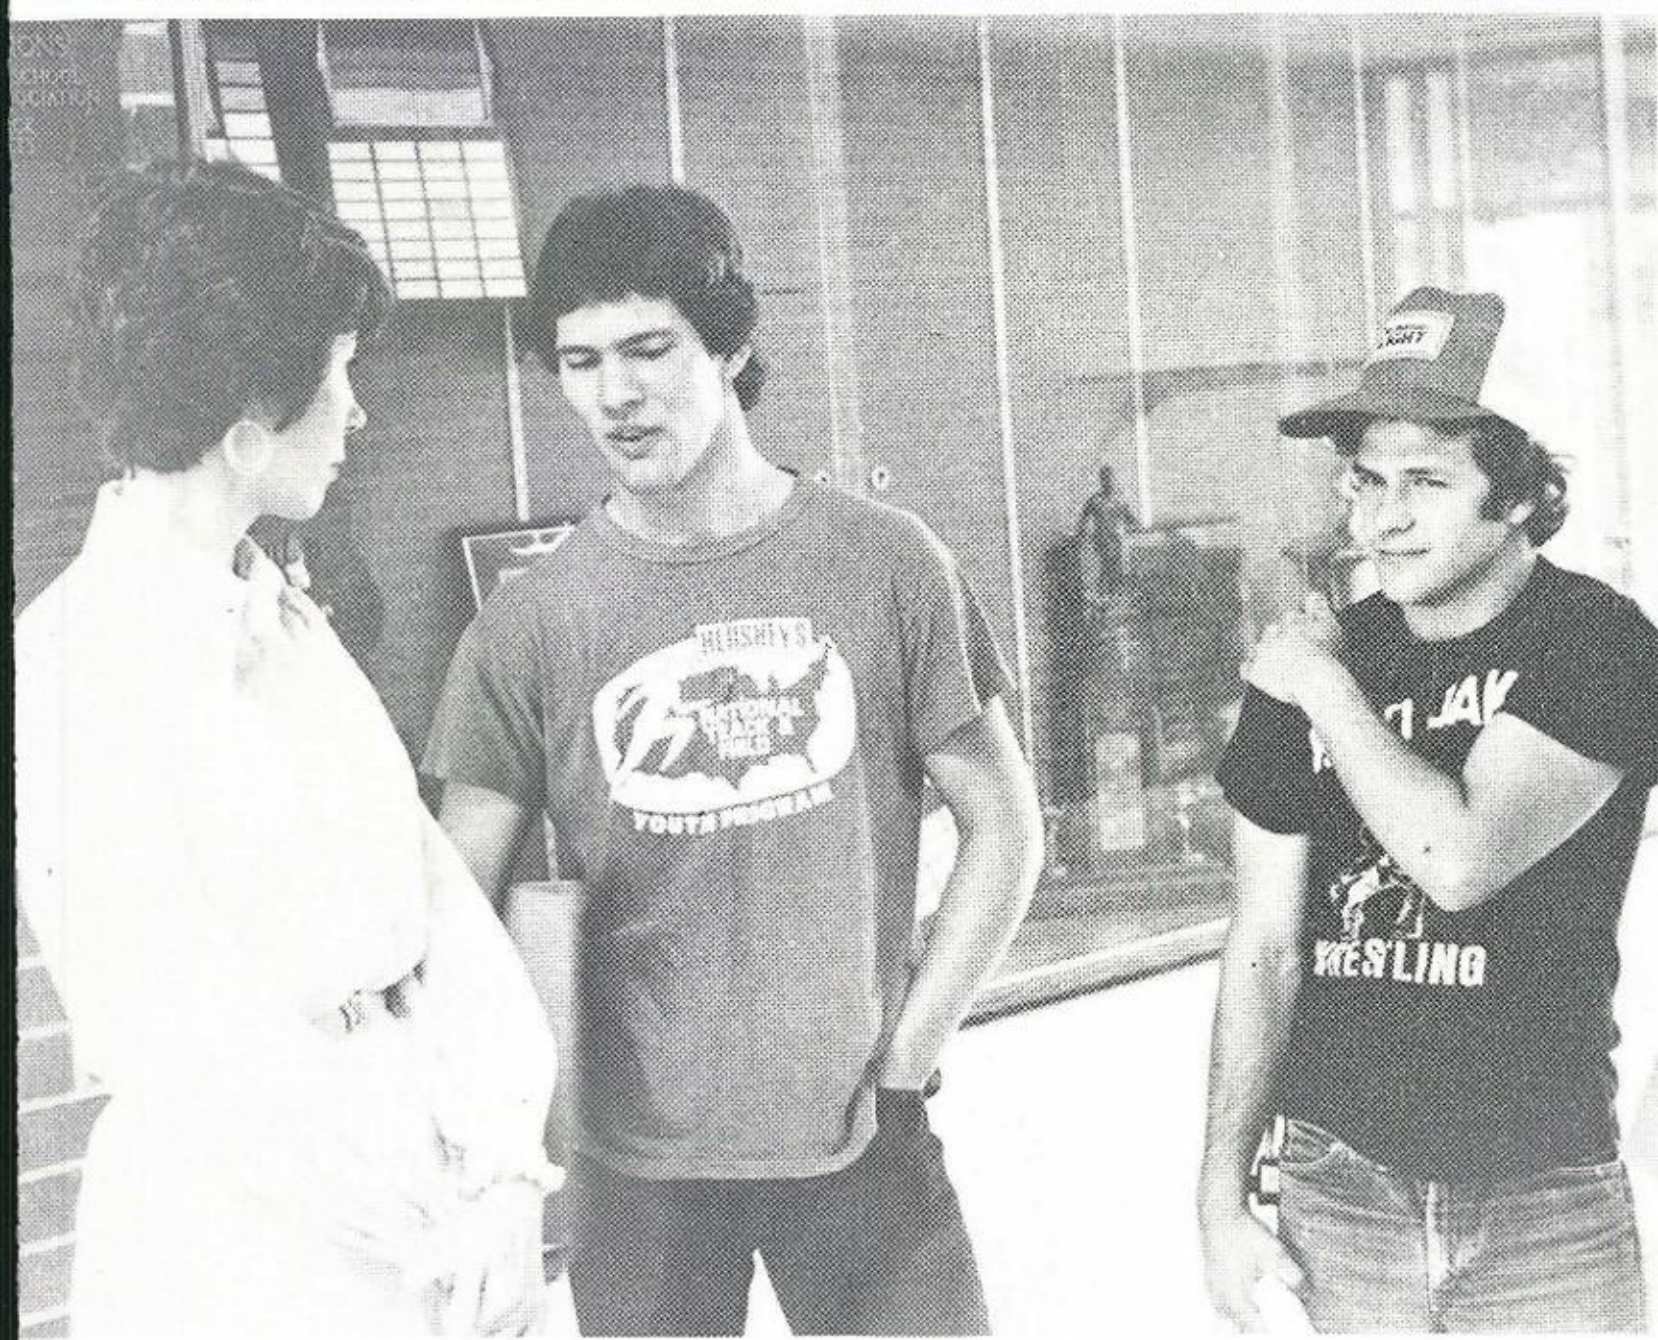

We were wondering about the Anheuser scholarship.
